

GUILLOTINES IN AMERICA?

(This was e-mailed to us. We have no idea who the author is and we do NOT agree with everything this person says. We have made some comments in this article that are in red. We do believe what this person is saying regarding the guillotines, one world government and the Roman Catholic Church.)

"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years."- Revelation 20:4

As we see in Revelation 20, the prophecy declares that some of the children of God that do NOT go along with the Papacy's mark will find themselves at the business end of a guillotine. All too often the argument arises. How can we as a modern and more civilized people, use guillotines. Would this not be barbaric as well as insane in today's age? After all, we are civilized now, and execution methods of the dark ages are just plain outdated! Therefore, this must prove the prophecy of Revelation chapter 20 to be absolutely false, right? Well, you may want to suggest to those that speak such words regarding prophetic facts, that they should hold on to their hats. LITERALLY!

A couple of years ago, some of you may recall that frequent the website that I made a statement on my old "current events" page that information had crossed my desk regarding the reality that thousands of guillotines were being stored on American soil. Not long after I posted that information. Someone who I thought was acting on my best interests, informed me that "conspiracy theories" such as this will lend to soil the message of my ministry, and I should remove the "ridiculous" claim about the guillotines immediately. After much thought (I will admit I didn't pray about it) I decided to go along with that person's suggestions and remove the information I had placed on that page.

Well... I am now kicking myself for doing just that!!

Not too long ago, I received word that the information I received regarding the guillotines was not only accurate, it was actually being lobbied in Washington DC to get them legalized for governmental use! The states I mentioned on my "current events" page a few years back was in fact GEORGIA & MONTANA as the recipients of these guillotines. The information I had received was that 15,000 or 30,000 guillotines had been shipped to Georgia as well as Montana for safe keeping until such a time as they are needed. (I don't recall the exact number. It's been a while. However, I do believe it was 15,000 guillotines for each storage facility.)

If this is true, and if so, what are they up to?

Some of us that live down south may recall the video that was "some how" released to the general public of a man being electrocuted in a Georgia Prison facility. For those of us that saw the movie, "The Green Mile," we know that if you do not place water on the sponge upon the man's head that is to die by electrocution, his death will not only be prolonged, and extremely violent, his head will actually ignite during the process. Not a very pleasant death to say the least. Fact is, many are aware, state executions are NEVER video taped! However, the tape of a man being electrocuted in Georgia did in fact somehow surface some years back. We also know that they did NOT place "water" as a necessary conductor in that sponge, because the video did in fact show the man's head igniting after he bounced around for quite some time in that chair. To think, someone would actually put someone through such torture so as to get a law lobbied? Is this not evidence that Rome is involved? Where else do you hear of such horrendous tactics in history?

Question: Why do you suppose a video would surface of an execution, when video's are NEVER made at executions, and most certainly never released for public viewing if they were made?

And why do you suppose they somehow forgot to place water on that sponge?

Answer: The video was released so the American public can see it and complain about the "inhumane" methods used, thereby giving the government officials a springboard to start the lobbying process for guillotines.

This video is no mistake, and neither were the statements made afterwards regarding the graphic video. The governing officials in Georgia were shouting it was inhumane to kill people like this!

The prophecy declares that some WILL be killed by guillotine, and that is what must occur. So, the enemy will eventually figure out ways to get this done. NOT because they believe the prophecy, and want to do as the Almighty declares in that prophecy. Not at all! The fact is, the Lord SAW this end result from the beginning and decided to tell us in advance in His prophetic Word. The wicked are merely doing what the Almighty already saw them do long ago. In other words, They WILL do it! Because our Lord SAW them do it!

Not long after that video surfaced, many state officials including the governor started a massive campaign to stop executions by electrocution. What was their decided choice for execution you ask? A no brainer eh? THE GUILLOTINE!

Some of you may be asking, why in this modern age we would have government officials lobbying for laws that would require guillotines as a way to kill those they deem worthy of death? With all our technology, with all our civilized ways, with all our "humane" laws, what would drive men to kill with such a thing as a guillotine? MONEY! That's right folks! It's the exact same thing that moves the beast in Rome to do the things it does. The almighty dollar bill is what they worship, and the almighty dollar bill is what directs their paths. They truly serve the god of mammon.

We are living in an age when we see commercials on TV telling everyone in the USA to sign the backs of their drivers licenses so they can harvest our organs for profit. Doctors all over the land lurk about like Egor in a Frankenstein flick waiting for their patients to show signs of fading. The doctors jump at the first opportunity to harvest your dead loved ones before they even have a chance to get cold on the operating table. Think of it... You can get over \$40,000 for one kidney now. Imagine what an entire human body is worth with TWO kidney's, two eyeballs, a heart, a liver, lungs, skin, gall bladders, bone marrow, blood, etc, etc, etc. The hospitals of the world have become literal body snatchers right before our eyes! Keep in mind as well, the governing officials of the world also see a cash cow in the executioners cage because they know what they can get for those "fresh" organs. And the Almighty Creator knew of this long before ANY of our transplant surgeons were even born. Isn't that awesome how His prophecy works out? He doesn't have to give us the morbid details as to WHY they will be using guillotines. He just tells us they will be using them!

So... let's cut to the chase!

Why would guillotines represent the better option? I am sure most of you have figured it out already. Why don't they choose "lethal injection" as an alternative? That is a VERY humane way

to break the sixth commandment isn't it? Or what about cyanide gas? The same gas used on the Jews that was manufactured by the family business of Pope John Paul II's parents, in fact, John Paul himself was a salesman of the gas. I never heard of anyone igniting or screaming or writhing for 2 or 3 minutes in a gas chamber in excruciating pain, or on a lethal injection table. Have you? So why don't they use those already in use "so called" humane methods to kill the Christians they will eventually have in their jails? BECAUSE THE ORGANS WOULD BE POISONED AND NOT WORTHY OF HARVESTING!

BOTTOM LINE: You can't make money!

What I am about to share is an excerpt from Bill #1274 in the Georgia House of Representatives. You can view the ENTIRE bill here...

http://www.legis.state.ga.us/legis/1995_96/leg/sum/hb1274.htm

(I highlighted for obvious reasons...) Notice how the bill lets the cat out of the bag as to WHY they want guillotines. It's not as they said in the first place is it?

Georgia House of Representatives - 1995/1996 Sessions HB 1274 - Death penalty; guillotine provisions Code Sections - 17-10-38/ 17-10-44 A BILL TO BE ENTITLED AN ACT

1- 1 To amend Article 2 of Chapter 10 of Title 17 of the Official
1- 2 Code of Georgia Annotated, relating to the death penalty
1- 3 generally, so as to provide a statement of legislative
1- 4 policy; to provide for death by guillotine; to provide for
1- 5 applicability; to repeal conflicting laws; and for other
1- 6 purposes.

SECTION 1.

1- 8 The General Assembly finds that while prisoners condemned to
1- 9 death may wish to donate one or more of their organs for
1-10 transplant, any such desire is thwarted by the fact that
1-11 electrocution makes all such organs unsuitable for
1-12 transplant. The intent of the General Assembly in enacting
1-13 this legislation is to provide for a method of execution
1-14 which is compatible with the donation of organs by a
1-15 condemned prisoner.

The "video" that was released of the man in the electric chair declared quite boldly, "THIS IS INHUMANE" did it not? Yet we see here in the wording of Georgia House Bill #1274, their main concern is NOT whether or not it's inhumane to do so. The Bill states plainly that, "electrocution makes all such organs unsuitable for transplant."

Prophecy is so amazing! They don't care about the inhumanity at all! The video was merely a way to pull at our hearts strings so as to get their agenda spring-boarded before "certain" eyes. Had they alerted the public that they wanted to use guillotines so as to harvest organs of dead inmates, their would no doubt be a public outcry, and their lobbying would have hit a wall!

Think about how advantages this be-heading affords them! Our technology is such that these bodies can be kept alive indefinitely with machinery WITHOUT a head so as to assure the organs stay fresh! How are they going to "hide" that fact? Who knows... who cares! But the reality is plain! You can walk into any hospital in the USA and find people in what's referred to as a "clinically dead" state. Yet, their bodies are still breathing quite readily. Plus with the onset of perfecting heart transplantation procedures, it's now an easy task to re-start a heart that has been completely drained of it's blood. So, in essence... they can lop off your head, restart your heart, and have a machine breathing for you indefinitely. Imagine the gruesome site of a headless body on a table breathing! You do not need a head to breath. They can tap into the lungs at the base of the neck in what called a tracheotomy. And again, you do NOT need a brain to keep a heart beating. There are scores of brain dead people in hospitals all over the world with perfectly beating hearts.

Let's imagine some of the possibilities for a moment! What if some of the bodies never make it to the transplant tables. Perhaps they are kept alive to use as human guinea pigs. Lately they have been testing head transplantation thanks to the funding of Christopher Reeves after he fell of his horse and became paralyzed from the neck down. You recall him, he played Superman in all those Hollywood movies. From what I understand, just a few months ago they successfully transplanted a head onto monkey.

Let me ask you what I consider to be a dumb question. If you are in jail for "whatever reason" the government has put you there, and they decide YOU have to die because the Pope says so in his newly formed global mandates. What choice of execution are you going to take? Seriously? What person in their right mind is going to say, FRY ME I want to bounce around for a few moments in writhing pain!

The prophecy declares the children of God will be jailed, and executed by GUILLOTINE, and we see that soon that will be the case in Georgia! And quite honestly, I do believe they will NOT give the prisoners a choice on this anyway. When the money starts funneling in, death by guillotine will become mandatory! Common sense folks... Did they ever give people a choice NOT to be electrocuted in the past? So why would they let them decide in the future? For whatever reason they can think of, many of us will indeed be blessed with the wonderful opportunity to die a martyrs death for our Lord and Saviour Jesus Christ. And don't think it will stop with Georgia. 30,000 guillotines is a bit much for just one state. They always start somewhere and move on from there. Take for example the Sunday Laws in Rhode Island. Since January 1, 1999 it became against the law to work on Sundays without a work permit. Does anyone know how many large cities there are in the USA? Are there 30,000 of them? I truly don't know. But if you divide 30,000 guillotines by 50 states, you come up with 600 guillotines for each state. Will they be used as scare tactics? You better believe it! That's how Rome has always worked. During the dark ages they used to put robes on people with drawings of people screaming and writhing in the pains of fire to try and intimidate the faithful into recanting their decision regarding Christ. Praise the Lord not ALL of them did so!

By the way... How do you suppose "Christians" will end up behind bars? Sure, most of us will have fabricated crimes designed around us to make us residents of the "gray bar motel." But are

there "certain crimes" we may find ourselves convicted of?

NATIONAL ISSUE: One Court For All The World?

A United Nations meeting in Rome is wrapping up five weeks of work on a proposed international criminal court. The new court would have worldwide jurisdiction and could investigate, indict, hold, try, and punish, those who committed certain crimes. The proposed international court would subject Americans to a new world authority... "Were talking about creating here something that exercises genuine power, real put-people-in-jail power, but that is responsible to no one but itself," said Lee Casey, a constitutional lawyer with the Washington firm of Hunton & Williams. [Investment Business Daily, Thursday July 16, 1998 Los Angeles, California]

Why are they so vague about the "certain crimes"? What do you suppose a "certain crime" would be for Rome? How would they define it?

The archbishop of St. Louis said: "Heresy and unbelief are crimes; and in Christian countries, as in Italy and Spain, for instance, where all people are Catholics, and where the catholic religion is an essential part of the law of the land, they are punished as crimes." ... "Every cardinal, archbishop, and bishop in the Catholic Church takes an oath of allegiance to the pope, in which occur the following words" "Heretic, schismatic's, and rebels to our said lord (the pope), or his aforesaid successors, I will to my utmost persecute and oppose." -Josiah Strong, "Our Country," ch. 5, pars 2-4.

The Vatican has the one world court. It has the one world church. And as soon as we have the global financial disaster James speaks of in Chapter 5, the Vatican will hold the Euro, or "one world currency" that is already backed by it's treasury as well. The wound will be 100% healed, and the people of God will be arrested for "certain crimes." And the United States of America will do exactly as prophecy said it would. It will HELP ROME kill the Christians, and enforce the mark of the beast. And of course many of us will choose death over denying the Truth we know in Christ.

(Actually it will be the so-called Christians who will be persecuting and calling for the heads of the True Worshippers of YAHUVEH and YAHUSHUA. How will we know who the True Worshippers are? They will NOT go to Sunday Church and receive the Mark of the Beast and they serve YAHUSHUA. These so-called Christians will be going to Sunday Church as ordered by law and will receive the Mark of the Beast. The True Worshippers will be blamed for YAHUVEH'S wrath in the Great Tribulation and that is why they will be hunted down and persecuted. Please pray for our Brothers and Sisters who will be martyred during the Great

Tribulation. Pray they will not feel a thing and that their Spirits will leave their bodies before the are beheaded and persecuted.)

America was started mainly because the children of God sought a land where they could be free from Papal persecutions. And now we see every president in the modern era as well as religious leaders meeting with the prophetically known man of sin. The Pope is dictating to the most powerful nation on earth its agenda, and the USA must comply. Any president that chooses to deny the desires of Rome will find that OVER 50% of Congress is Catholic making his denial trivial. He will also notice that over 50% of the Senate is Catholic, thus proving his desires dead in the water. Not to mention the US Supreme court being 100% Catholic in morals. He has no choice. He must comply! However, if the president still decides to ignore the desires of the Pope, his life most certainly would be in grave danger. Hence, John F Kennedy's assassination not long after denying "certain demands" of his Pope. I am sure many of us have scanned the websites that have ample info on WHY Kennedy was shot and how it was the Vatican that gained the most by his death. Plus it was the Vatican that would be hurt most by Kennedy's "decisions" in office as well. So, I don't feel I need to get into that right now. Most people are already aware of what's up regarding Kennedy. The stories from Washington are so stupid, it's amazing how they themselves think any of us believe anything they say!

Every president has met with the Pope. The present one is no exception. Back in May of 2002 he met with him twice. And just after the 911 situation, the present president's father met with the Pope as well. Could it be to discuss the family friends, the "Bin Laden's?" I am positive this was most assuredly the case. It is no longer debated that the Bush family and the Bin Ladens are old friends. In fact, it's already been announced that the Bush's always stay at the Bin Laden mansion when traveling in that region.

By the way, are you curious as to why Bush is meeting with the Pope? Could it be to join in agreement with the Roman International Court? The necessary number of countries have already signed the treaty making the Roman Statute of the International Court system a reality. However, the USA has opted NOT to sign. (so far) Will they? Personally, I don't believe it matters at this point. I see it as a mere formality now. Prophecy declares the USA will help the Beast enforce the mark anyway. So regardless of what they decide in Washington DC, the USA will help Rome kill Christians. (True Worshippers)

So... was Bush meeting with the Pope for a reason? Was something on the near horizon that needs his extreme attention? The fact is well known across the globe, that anytime ANY governing official is about to do a major change in policy, he must always have an audience with the Pope to assure their agenda doesn't harm his. Everyone in office KNOWS who the "one world government" has already elected as their leader.

So, does this meeting between the Pope and Bush affect ALL people on earth? And does it tie in

with the 30,000 guillotines on American soil? Fact is, the international court officially began on July 1, 2002. Go to their website (<http://www.un.org/law/icc/>) and notice the announcement on page one. They have, in capital letters "ENTERED INTO FORCE" on July 1, 2002!

No doubt this WILL be a hot topic between the two whenever they meet. So, no matter what Bush decides, the Vatican will have its power regardless if he signs or not. And the TRUE child of God will have their persecution personally directed by the Roman Court itself. The Pope has the one world church, court, and money. The governments have the people under control with executive orders as well as "new laws" enacted thanks to the so called "terrorist" attacks on 9/11. The "human islands" are well surrounded now. The "homeland security" is set up AND ACCEPTED by all. And all they await is the 'financial' catalyst that will get ALL the laws enforced on each an every person alive that the executive orders laid out in detail! And for those that won't go along with them? Their "heresy" will have them making a choice of cold hard steel, or a massive dose of electricity as a method of execution.

The big picture sure gets smaller doesn't it? Especially since you get a glimpse of it in His Word beforehand. The sad thing is, most of the world cannot see it. This includes those who claim Jesus as Lord. Main reason being is they believe the twisted prophecies of Rome. Most Christians I meet actually believe that the temple must be rebuilt in Jerusalem before Christ returns. But, the Word says the Temple vail ripped at Christ's death proving this temple on earth is no longer needed! The Lamb of God already died for our sins on that cross! Shall we start sacrificing animals again? Truth is, Rome already started. I have the picture of the first goat Rome killed on an African altar in one of their churches back in 2002. You can see it on my site. I also implore you to look up the articles with headlines regarding "Animal Sacrifices in the Catholic Mass."

Many also believe Jesus will rapture them up (Only the 144,000 Bride of Rev. 14) before the plagues. Even more believe Jesus will bring 1000 years of peace and rule FROM that temple in Jerusalem ON planet Earth. And still others believe that Israel will be surrounded when 'Jesus,' who is actually Antichrist, steps in to save them. Fact is, ALL these twisted lies are designed to get them looking elsewhere and NOT at the actual prophetic events of today that the Bible so accurately lays out before us. Another fact is, NONE of those "so called" prophecies regarding the temple, pre-trib rapture, or 1000 years of Christ on earth are found in the Bible. (Oh yes it is) Yet most believe them because that is what's being preached from pulpits, mentioned at gatherings, printed in tracts, portrayed on videos, spoken by TV evangelists, and discussed on radio broadcasts the world over. That way when the REAL prophetic events occur, the Christians will be totally unaware of them. They will be watching Israel and the Temple construction instead. Think about that, do we really need the temple rebuilt? Will they really need to start sacrificing animals once again? Yes they will do so only to deny the Lamb of God who declared from His very cross... IT IS FINISHED! (John 19:30) The Jews do NOT believe in Jesus Christ, and they are the ones that Rome will help re-build that temple! Since it's the non-believing Jews

rebuilding it, and proclaiming it rebuilt for the Messiah's first arrival, Christians out there that BELIEVE it should be rebuilt are joining the Jews in denying Jesus came in the first place!

Stay IN your Bibles, and study prophecy! Soon the freedom of all mankind will be extremely limited. The governments of this world will declare that we need to give up a little freedom for the sake of "security." And some will go so far as to belittle the rights of many without ANY explanation. How many recall the ridiculous statement made by one of the most evil man known to date. William Jefferson Clinton...

"We can't be so fixated on our desire to preserve the rights of ordinary Americans ..." -Bill Clinton (USA TODAY, 11 March 1993, page 2A)

Soon the image of the beast will be a reality in the USA. The American people will see their nation helping the Vatican in Rome enforce it's most evil mark EVER known by mankind upon the foreheads and hands of BILLIONS! And they won't need a "computer chip implant" to do it. They won't need a "tattoo of a bar code" either. They will be able to get literally BILLIONS sealed for hell by one simple method. The exact same method Nebuchadnezzar used in his day! ALL YOU NEED TO DO IS AGREE THAT THE LAW OF GOD CAN BE SUPERCEDED BY THE LAW OF MAN! That will be one of the easiest global agreements ever made! The agreement of billions will declare to their very own Creator that they don't believe His Word is Truth. Plain and simple! And they will be SEALED for eternity as not worthy of life eternal! (By attending Sunday Church in the Great Tribulation, when the Sunday law is passed.)

Fact is... many so called "Christian" organizations are already doing things that allow the beast's desires to get that reality quickened. I reported on my site back in 2002 how the religious leaders were conned into accepting hate crime legislation to safeguard religion. I have a page dedicated to this in the warnings section of the website. It's entitled, "Hating the Christian." I also did a radio broadcast on this topic back on February 22, 2004.

Want to know the REAL agenda behind the 'HATE CRIMES' bill? See my March 20, 2000 Truth Provided Newsletter entitled, "Is Preaching the Gospel now a Hate Crime?" They want to STOP those that share REAL Truth from preaching because Satan knows that it will affect many. He is hoping for a landslide decision to go along with his agenda. Fact is, the Elect can NOT be deceived, but he's deceived even himself enough to think they can be.

How far can this "hate crimes" lobbying go? Did our religious leaders mess up? Yes they did! The government officials of our land now use the 9/11 terrorist attacks as a way to PUBLICLY speak their opinions regarding religious issues all the time. Will they flip flop and proclaim that people of faith are deadly to society? Back in May of 2002 the Governor of Virginia did just that!

A pro-family activist says the Governor of Virginia (Joe Glover... see pic on left) believes that people of faith are a threat to the world. Just one day after earning praise from religious leaders for signing "In God We Trust" legislation, Virginia Governor Mark Warner made an anti-religious remark during a college graduation ceremony.

An Associated Press article quotes Warner telling University of Virginia graduates: "One of the greatest threats facing our world comes from those who believe they are acting out God's will, no matter what religion they practice." Family Policy Network president Joe Glover says the governor's remarks were an intentional slap in the face to religious conservatives, made to an obviously not-so-conservative audience. -By Rusty Pugh May 22, 2002 (AgapePress) -

Governor's Anti-Religious Remarks Raising Flags in Virginia

Some are STILL confused I am sure as to how this "hate crimes" situation ties in with the Vatican in Rome. Well, check out this next article and REMEMBER, the Pope and Islam, and their EXTREME friendly relationship! Is this "ecumenical" group hug paying off for BOTH the Pope and Arafat?

Christians accused of inciting hatred
By DANNY BUTTLER -28may02

A MELBOURNE Christian group has been accused of vilifying Muslims in what could be a test case for Victoria's controversial new race and religious hate laws. ..The Islamic Council of Victoria claims the fundamentalist Catch The Fire Ministries incited hatred against the Islamic faith during a Koran study conference held in Surrey Hills in March. ..."It's like the hate literature that was incited against the Jews in Europe in the 1930s," said Islamic Council human rights co-ordinator Bilal Cleland. (See pic on left) "It's an attempt to turn the war on terrorism into a war on Islam." Catch The Fire Ministries, which claims to have 5000 followers across Australia, would neither confirm nor deny that the comments were made at the conference. ..."The truth has to be spoken. I have no fear to speak the truth . . . but if we have hurt someone's feelings we are sorry about it." ...Catch the Fire Ministries is a non-denominational group which, according to its website, aims "to take the good news of the gospel from town to town, city to city, state to state, country to country and proclaim the name of Jesus."

This Christian ministry states they did NOT make the statement. But will it matter? No. Fact is, MANY of us will be thrown behind bars for NOT making statements as well. They will simply LIE and say we did "certain crimes." We will be persecuted by Rome and it's friends the world over. It's no mistake the Roman Beast would pick the Muslims as a friend. Like the Catholics, the Muslims are now over a BILLION strong and their doctrines have no problems with killing people for their god. Their LIES about you and me will be seen as TRUTH by the "Catholic" governments of the world. And when they are joined with a little over a billion Catholics repeating the same lies... well, do I need to illustrate the obvious?

One last thing. Do you think Catholic theologians, deacons, priests, laypeople and just plain Catholics feel the torture and murders of millions by their church was a good or bad thing? See this "Q&A page" on the EWTN Catholic website regarding that very question...

[http://www.ewtn.com/vexperts/showmessage.asp?
Pgnu=1&Pg=Forum3&recnu=10&number=252234](http://www.ewtn.com/vexperts/showmessage.asp?Pgnu=1&Pg=Forum3&recnu=10&number=252234)

Ooops.. wait a second. They DELETED that page because of the statements made by their priests and "doctors of divinity." I have a copy of those statements in my "Evils of EWTN" page in the RCC Exposed section of the Website. These Catholics running the mainstream as well as televised "EWTN" Catholic ministry actually feel it was the ultimate GOOD to burn people at the stake! Using a guillotine in today's world would be far more civil when looking at what the Roman Catholic church desires.

There is one more article I would like to share with you. I recently found this article and decided to add to my info on guillotines because of it.

Interview: Fernand Meyssonier discusses his career as a professional executioner in Algeria
Tuesday, 24 September, 2002, 13:00 GMT 14:00 UK The executioner's tale

He helped to guillotine more than 200 people.

By Hugh Schofield
Fontaine-de-Vaucluse

Fernand Meyssonier (My-Sone-Yer) has me by the head. With four meaty fingers behind each of my ears, he is tugging me forward out of my seat. It doesn't exactly hurt, but the effect is certainly unsettling. "That's the way to do it. You've got to make sure you don't hold the guy too near the neck, or you could have an accident. It happened. There were people who lost two or

three fingers," he says. Mr Meyssonier is - or was - an executioner. In 21 years from 1947, he helped to guillotine the heads off more than 200 people - the vast majority of them Arabs - in French Algeria. During the war there he was taking off five or six a month.

He knows what it is like to hold a human head. He has seen the gore. "The blood spurts like two glasses of red wine chucked three metres," he says with a quick double-flick of the wrist. He is - in Europe at least - a last link with an ancient, almost mythological, profession: the people's killer. He has never spoken publicly about his experiences before. But at 72 he is ill with cancer, and this month he is bringing out a book - *An Executioner's Tale* - in which he answers all the questions. ...Meyssonier senior would receive a call at the bar from the prosecutor's office, and that evening they would pack the guillotine into boxes and set off by lorry to the prison in Algiers, Oran or Constantine. There they would erect the machine in the courtyard and rest till dawn.

Fernand started off as a junior assistant, with the task of tying the convict's ankles and thighs with fishing-wire. Then his hands were handcuffed behind his back and his elbows trussed together. "This has the effect of making the head stick out, which was what we wanted," he says. "You must never give the guy time to think. Because if you do he starts moving his head around, and that's when you have the mess-ups. The blade comes through his jaw, and you have to use a butcher's knife to finish it off. "So I would say 'Go, father!' and - crack! - the head is in my hands, and I put it in the bucket. "It is an exorbitant power - to kill your fellow man. The whole thing would happen like in a fast film. They bring in the first one and then the second, and in 20 seconds two people are decapitated. You come out with an incredible sense of power - only God can do that!"

It has been rumored that this man is a Roman Catholic. If anyone has proof of that fact I would greatly appreciate an email from you.

Turns out I received an email on 01/11/2007 that alerted me to something that was already penned about this man and his family. Turns out he has a godfather by the name of Henri Roch. The title "godfather" is only found in Catholic circles. And no, it's not just a mafia thing. A godfather is someone selected to stand by the side of the newborn Catholic at baptism. In the event of the parents demise, the godfather and or godmother is supposed to bring the child up in the Catholic religion. Info on this "godfather" of Fernand Meyssonier can be found in the two articles below.

Thanks again fore the email Val Z. :)

Think of it.. Rome has joined with the Muslim. Muslims are beheading people on television now. We have reports that there are still people alive today that are employed as executioners that still use guillotines. It has been reported that there are over 30,000 guillotines on US soil at this moment. Governing officials have been lobbying for years to try and convince the American people as well as Congress that we need to start using guillotines. Big money is most assuredly to be made regarding the be-heading of people by harvesting their organs. And people STILL believe Revelation 20:4 is a joke because it speaks of people being be-headed in the last days?

STAFF SERGEANT/ARMY RANGER/SPEC OPS MAN FROM FORT LEWIS
WASHINGTON THAT I JUST MET WHILE TRAVELING FROM MONTANA TO
NORTH CAROLINA REVEALS:

*'THE GUILLOTINES ARE REAL AND I WAS GOING TO TRAIN MY MEN IN MY
PLATOON TO USE THEM NEXT WEEK IN HIGHLY CLASSIFIED OPERATIONS AT
FORT LEWIS...UNTIL YOU TOLD ME 'THEY WILL BE USED ON YOUR FELLOW
AMERICANS UNDER COMING MARTIAL LAW!'*

NOW he and the men who he told about my reporting, on HOW the guillotines will be
used against their fellow Americans, ARE BEING ROUNDED UP AND HUNTED
DOWN LIKE DOGS..

Humvees and helicopters surrounding their homes...military pay and all access to bank
accounts and credit cards being cut off...and NOW HE IS ON THE RUN! All because
they found out the truth about MARTIAL LAW and the guillotines FROM ME and have

agreed among themselves to NEVER GO ALONG WITH THIS TERRIBLE NWO AGENDA!

-Pamela Schuffert reporting live from NORTH CAROLINA

I was riding on a bus from BUTTE MONTANA to North Carolina, when I met a young man all dressed up in full and impressive ARMY RANGER uniform. He carried his 445 mag gun and many knives and several phones and military backpack and other equipment. He told me he was a STAFF SERGEANT from FORT LEWIS! Fort Lewis is where many MODERN GUILLOTINES have been stored for a long time, for use in martial law.

I teased him at first and told him I knew all about the MODERN GUILLOTINES in Fort Lewis. HE WAS SHOCKED! He said, 'HOW DID YOU KNOW...THIS IS HIGHLY CLASSIFIED INFORMATION!' He then admitted he was a Christian. I told him that the US MILITARY WAS NOT TELLING THE YOUNG MEN LIKE HIM, but these guillotines will be used on AMERICANS AND CHRISTIANS in the future under martial law, to behead all NWO resisters.

The longer he listened, the angrier he got. Using a few choice expletives, he said, 'THEY NEVER TOLD US THIS WOULD BE USED ON AMERICANS UNDER MARTIAL LAW...to get RID of all CHRISTIANS and NWO RESISTERS! We THOUGHT they would be used in IRAQ or something!' He then asked me to tell him more and more. He even filmed me.

Finally, so angry at how they were being deceived and brainwashed, he told me,

'I WILL NEVER go along with this NWO agenda! I am A CHRISTIAN! I will contact my men in my platoon (64) and those I can trust who are Christians, I will tell them the TRUTH. I was supposed to go to Fort Hood for more SPECIAL OPS training next week, and THEN RETURN TO TRAIN MY MEN IN HOW TO OPERATE THESE GUILLOTINES!

There is a special underground training center where the guillotines are...we are not allowed to bring in any cameras, cell phones, etc, because of HIGH SECURITY AND SILENCE regarding these guillotines.They are 6 and a half feet high, with hand restraints and a place for a person's head as they stand. We were going to use dummies for practice...BUT NOW I AM REFUSING THIS ASSIGNMENT and I will contact the men under me who I can trust...who will NOT go along with this NWO agenda and will come out instead with HUMVEES, WEAPONS and everything we can get our hands on to fight this NWO agenda!'

We parted in Indianapolis...I wondered about the outcome. I was soon to find out! I called him the next day. He told me he talked to his sister and family and they were shocked...they were all military...they told him, 'HOW DID YOU KNOW ABOUT THIS NWO MARTIAL LAW AGENDA...IT IS ALL HIGHLY CLASSIFIED!'

When he told them about ME (I had given him a copy of my AIRMAN MAGAZINE in it with my famous USAF father's cartoon in it..he was quite amazed and impressed) he told me his USAF aunt would submit my name to USAF intelligence computers to see where I stood in the sight of the USAF. He told me, 'She said you are RED FLAGGED (subject to arrest and interrogation) and are classified by the USAF as A THREAT TO

NATIONAL SECURITY!' (ME???)A THREAT TO NATIONAL SECURITY???) ALL for telling AMERICA THE TRUTH about coming MARTIAL LAW!)

This ARMY RANGER had told me that IF HE HAD BEEN ON THE SIDE OF THE NWO AGENDA, he was authorized as an ARMY RANGER with highest security clearance and much special ops training to MARCH ME OUTSIDE THE BUS AND SHOOT TO KILL for knowing this classified info...OR he could have called the nearest military base and had vehicles come to arrest me immediately and take me away for interrogation and termination. THAT IS HOW CLASSIFIED MY INSIDE INVESTIGATING AND INFO REALLY IS! And YESTERDAY when I called him, he had even MORE shocking information for me.

'I AM ON THE RUN NOW...they are trying to pick me up...and my USAF sister too! OUR PAY AND MILITARY SERVICE AND BANK ACCOUNTS HAVE ALL BEEN CLOSED OFF...we cannot access anything now! THEY ARE NOW ARRESTING HALF THE MEN IN MY PLATOON...men I talked to who agreed that THEY WOULD NEVER GO ALONG WITH A NWO MARTIAL LAW AGENDA...all THEIR pay and service and bank accounts have been cut off from them now too....military helicopters and humvees are surrounding their homes..they are being watched and picked up one by one...one man in my platoon defended himself when they broke into his home, SHOOTING FIVE MILITARY SOLDERS TRYING TO TAKE HIM in the process (some were killed) before they were able to arrest him! We are on the run now, my sister and I...they are after us too.....'

I am actively now on the phone with Staff Sergeant Donnie. His aunt who ran my name through USAF computers is now being questioned by USAF authorities. I am SURE they are angry with ME right now as well! They may be searching for me at this time as well....with this military scandal breaking and ME in the middle of it!

GET THIS WORD OUT TO EVERYONE! These brave military men are paying the highest price to say **THEY WILL NEVER GO ALONG WITH THIS NWO MILITARY AGENDA** to kill innocent Americans and to destroy our Constitution and our freedoms and people of faith and character in our nation. **PRAY for Staff Sergeant DONNIE BOYSEL** and his sister **NOW** and for the men they are now hunting down like dogs...to be interrogated and **KILLED!** **PRAY ALSO FOR ME!** I may be picked up soon for my role in this military scandal.

PRAY FOR THE MERCY OF JESUS to preserve me through all this! **FORWARD THIS BREAKING NEWS TO EVERYONE ON YOUR EMAIL LIST!** And **NOW YOU KNOW....the GUILLOTINES ARE REAL!** (Revelation 20:4) He told me they **ARE EVERYWHERE...in FORT HOOD, FORT BRAGG, FORT LEWIS..in ALL the US MILITARY BASES including GERMANY** where he was stationed... (yes Europeans will be beheaded for their faith as well in the **NEW WORLD ORDER!**) **PASS THIS ON AND PRAY FOR ME, FOR DONNIE AND HIS CHRISTIAN MEN THEY ARE HUNTING DOWN FROM FORT LEWIS!** -Pamela Schuffert reporting **LIVE** from across the nation

"It is now **TIME** for the Christians of **USA/CANADA** to **PREPARE** for the **COMING CRISIS**. It will **NOT** be without **PERSECUTION, TESTING** and **BLOODSHED**. I dare say, in fact, that it is **TIME** for the Christians of **North America** to **PREPARE FOR MARTYRDOM** for their faith. **END TIME BIBLE PROPHECY** is about to unfold in this nation as **NEVER BEFORE...and I can prove it!"** -

UN/FEMA Prisoner Boxcars with Shackles **CONFIRMED**

UN/FEMA Prisoner Boxcars With Shackles, Guillotines, And the NWO AGENDA for "AMERIKA"NO LONGER Considered "URBAN LEGEND"

The FEMA Boxcars Are Now CONFIRMED REALITY

-by Pamela Schuffert, providing investigative journalism with a Christian perspective

Since 1996, I have been consistently traveling, investigating, documenting and reporting that there are thousands of prisoner boxcars with shackles, manufactured out of Portland, OR, by GUNDERSON STEEL FABRICATION (plus other separate boxcar manufacturing companies/operations located nationwide.)

Through numerous contacts, including CIA/Naval Intel and other sources, it has been confirmed personally to me that there are numerous covert "FEMA/HOMELAND SECURITY concentration camps" located across America, Canada and Alaska for the hour of martial law and the seizure of this nation for the New World Order.

Many of these camps are actual termination facilities, some equipped with gassing/crematory facilities. Some of these facilities are also incorporated into the military's DUMB's (deep underground military facilities.) From sources inside the CIA, it was revealed to me that these numerous camps have been established to detain and ultimately terminate what they consistently referred to as "the resisters of the New World Order." (Michael Maholy, 20 years CIA/Naval Intelligence; confirmed independently by Elaine, former CIA assassin/NWO agenda planner.)

"Oh, all of us in the intelligence community know about the concentration camps and their purposes...we ALL know that they are to TERMINATE THE RESISTERS OF THE NEW WORLD ORDER UNDER MARTIAL LAW." (CIA/ONI Michael Maholy.)

But what IS a resister of the New World Order? The definition our "friendly" US government has applied will surprise you!

A "NWO resister" includes:

-A Christian (firm Bible believer)

-A Constitutionalist-A Patriot

-A gun owner who refuse to relinquish 2nd Amendment rights

-Anyone who adheres to the concepts of maintaining our national sovereignty, the Constitution and rejects the concept of United Nations world government control in it's place is labeled by the government as a "resister of the New World Order."

-Those radio broadcasters, lecturers, authors, and pastors who publicly come against the New World Order.

Have you ever listened to alternate news radio broadcasts exposing the NWO? They are all telling America the truth about the New World Order and it's dark agenda for America via the UN/martial law agenda. And every independent reporter, including myself, knows that they are irrevocably marked for persecution under the NWO/martial law agenda our nation is now entering into. People like them are the more open and obvious examples of "resisters of the NWO."

Even now, listed silently in classified government/military/intelligence community computers are the names of millions of fellow American Patriots ALREADY PROFILED as "resisters of the NWO."

Such people have been marked for priority arrest, transport to these modern concentration camps (under FEMA or military jurisdiction,) interrogation in some cases, and ultimately termination for many.

Interrogation? "Are you a member of the militia? Who is your leader? Where are your secret cells located? How many secret weapons caches do you have?" Or, "Who is your Pastor? Where are your food supplies hidden? How many belong to your prayer group?" Etc.

The CIA and the military have been secretly perfecting both mind control drugs and torture techniques designed to force compliance or to be used in interrogation sessions. I have been personally informed by former CIA planners of the NWO agenda under martial law that those arrested can anticipate "...brutal rape, torture and death once they are arrested and taken to the camps!"

I know the credibility of these sources and I do not make these statements lightly. The people whom I have interviewed on this subject have been part of the "inner planning" of the coming New World order takeover for years. They know of what they speak.

As one former CIA admitted, "I even helped design the blueprints for some of these camps. And although NOW I greatly regret my role, the camps stand to this day and will be activated under martial law."

It was then that this source paused, looked intently into my eyes and revealed, "...I tell you, it will be brutal rape, torture and death once they are arrested and taken to the camps..."

One person who worked with military planners for NWO takeover admitted to me during an

interview, "We NWO satanists sat around discussing how long we could prolong the lives of arrested Christians under torture until they finally expired. We came up with 11-13 days."

This source exposing the NWO agenda, CISCO WHEELER, has written several books on this subject, including CIA/military torture/mind control drugs testing and their victims, and whose father was a military participant in all this.

Particularly hated by the NWO agenda are Christians who, for Bible-based reasons, will refuse to participate in their Luciferic based NWO. Former Satanists/Illuminati, who are the backbone of the NWO, have admitted this to me repeatedly. And this is the reason why Christians will be considered a major target for arrest and removal as NWO takeover progresses in America.

How many times must I emphasize this to wake up the churches in America???

I have interviewed victim-survivors of the CIA/military torture practice sessions in facilities such as China Lake Naval Ordnance Research facility. Neither infants nor children were spared the horrors of such brutal testing...testing that left many of them either dead or scarred for life. Those "resisters of the NWO" who are not speedily terminated at the many gassing/cremating or microwaving facilities across America, Canada and Alaska may instead be diverted to facilities such as those located in deep underground military bases for human experimentation UNTIL THEY EXPIRE. (Remember Joseph Mengele and the Nazi doctors? Sadly, history DOES repeat****elf.)

Or turned over to Satanist covens for human sacrifice cannon fodder. I have inside basis and independent, repeat confirmations for each and every statement I have just made.

-EYE WITNESS SIGHTINGS OF PRISONER BOXCARS WITH SHACKLES-

I have interviewed many eye-witnesses to these prisoner boxcars. There are several varieties of prisoner boxcars, ranging from all new, metal, modern versions higher than average boxcars to refurbished older boxcars. Some versions have the modern guillotines (imported from Japan and China) installed in them, others do not. But ALL have shackles installed to restrain prisoners.

One variety of prisoner boxcars has been imported from China, in the form of 40 foot cargo containers, with shackles installed and a modern guillotine at the head of each one. Their TRUE intentions are easily concealed from public scrutiny and have no windows. For all practical purposes, they appear to be normal Chinese cargo containers (like HANJIN, COSCO, etc.) that can be piggybacked on train flatbeds or trucks.

It has been reported to me by NWO agenda investigator Lee Harrington that originally 20,000 of these prisoner cargo containers were ordered from China. These were ordered under secret contract through one cooperating Congressman who met with officials in China. (And you WONDER why NWO supporters like Clinton and Bush Sr. and Jr. have had "love affairs" with China??? China, through supplying these prisoner boxcars, has just enabled them to more speedily terminate the hated resisters of their New World Order!)

Some prisoner boxcars have been observed in Montana, at one point near Columbia Falls in the

Glacier area. Personal friends taking a missionary journey across America stumbled upon them during a picture-taking expedition in the forest near Columbia Falls. My friend Marie McCullough recounted,

"We were following the railroad tracks into the forest, so that we would not get lost and could find our way out. We were surprised as we followed them deeper into the woods to discover boxcars, looking out of place and all painted black. Suspicious, we decided to look inside one if we could. We saw one that had a door partially open. We struggled to slide it open all the way, and when our eyes adjusted to the dark interior, what we saw shocked us. There were rows of shackles installed in the boxcar. My friend Rose pointed to the end of the boxcar and I said, 'Rose, what IS that?'"

"She replied, 'Why, Marie, don't you SEE what that is??? IT IS A GUILLOTINE!' "

"We were frightened by then, and decided to follow the railroad tracks and leave the area. When we returned to our host's home and shared what we had seen, they got angry and told us, 'we WARNED you to stay away from that area! It has guards with rifles...you could have gotten killed!'"

Marie admits she is under government surveillance and her phone is constantly monitored...simply for discovering a deadly NWO secret. When I finally traveled to Montana to investigate, I encountered Patriots in Columbia Falls who admitted that, while hunting in the northern wilderness above Glacier, they had stumbled on these boxcars on remote sidetracks as well. (They also encountered Russian soldiers in training with American military counterparts.)

I also met with Lee Harrington of Vallier, MT, former military liaison officer and later a metal worker who admitted that there had been a "boxcar with shackles" operation in Glasgow, MT that employed summer youth workers one year to help weld shackles into boxcars.

From there, they were shipped west along Highway 2, through Cut Bank and on to remote areas around Glacier to remain concealed on remote sidetracks until the hour of martial law takeover and their grim deployment. (These are the older boxcars that have been refurbished and painted black.)

One eye-witness from the Cut Bank Indian reservation personally observed these boxcars as they slowly passed through his reservation, noting the doors on some still open and the shackles plainly in view. Disturbed about what he saw, he reported this to a Montana Christian intercessors' group, which reported this to me in person in Bozeman, MT.

I personally observed, while investigating in White Fish near Kalispell in the Glacier area, frequent trains arriving with the Chinese 40 foot cargo containers on board, double stacked, all pulled by BURLINGTON NORTHERN/SANTAFE. While I realized that many could be legitimately filled with consumer goods, I also knew that others could be the deadly prisoner boxcar cargo containers. It was impossible to tell one from the other.

People who know this dark truth reported to me with alarm that many of these 40 foot cargo containers have been seen building up at Long Beach Naval Shipyards, which has been turned over to the Chinese. Knowing the role that Chinese troops will play against American resisters of the NWO/UN takeover (through the Trilateral Alliance Treaty secret agreement with China to deploy

their troops against Americans offering resistance under martial law,) they are suspicious as to their nature.

-TRUCKERS ENCOUNTER MODERN GUILLOTINES-

Truckers also know some deadly secrets of the New World Order agenda for America. In the course of traveling thousands of miles across America to research this subject, I have interviewed many truckers and their contacts. They have admitted to me personally that they or their trucker buddies have delivered shipments of the MODERN GUILLOTINES, manufactured in China and Japan, and unloaded on the loading docks of San Diego and other west coast ports of entry.

Guillotine shipments have been going on in earnest for many years now, and eyewitness sightings have increased. Military sources have admitted helping unload such deadly cargoes at military facilities, to be stored in warehouse for the hour of NWO/UN takeover. Incredulous over the early reports I received of guillotines in America, I discussed this subject with Patriot investigator Ed Pack, and former CIA NWO planner Elaine.

Both admitted that the guillotines were a reality. Elaine commented, "I have been to the manufacturing plant in Japan where they are made. And I have stood on the loading docks of San Diego as they were unloaded to be distributed across America. At THAT time I rejoiced, because I knew what they would be used for: the termination of Christians who stood in the way of our New World Order!"

Such sentiments were echoed to me by former high level Illuminati/Satanist DOC MARQUIS, now of CHRISTIANS EXPOSING THE OCCULT. Doc told me that when he was personally flown out to the FEMA gassing/crematory detention camp in the Mojave (it has a landing strip) he rejoiced as he was shown around this deadly compound.

"My sentiments? I rejoiced over the thought that Christians would be terminated in this place." ("Christians" in reference to being "resisters of the New World Order...THEIR Illuminati NWO! Doc is now a Christian and is exposing the deadly secrets of the NWO.)

-FURTHER EYE WITNESSES TO THE NWO/NOAHIDE LAWS GUILLOTINES-

Personal friends (Russian Christians that I network with across America) I have interviewed in Washington State have seen the guillotines in the back of one truck. Two state troopers pulled over a truck on the highway these eyewitnesses were traveling on. They were detained by this.

They watched as the trucker led the troopers to the back of the truck and broke the seal and opened the doors to disclose the contents.

"We were shocked to see that the truck was filled from front to back with nothing but guillotines!"

Satisfied, the troopers then left. These Russian Christians in the car behind the truck came out to talk with the trucker. He was terrified about what his truck contained: it was a sealed shipment. He had not been informed of his deadly cargo! The eyewitnesses recounted, "He was so shocked he

turned in his truck and his papers and refused to even deliver his shipment and simply walked away..." (These eyewitnesses are solid Christians living in Spokane, WA.)

For Christians who would raise eyebrows at this, I will simply refer them to the Bible as evidence:

"Rev. 20:4-"And I saw the souls of them who were beheaded for the witness of Jesus and for the word of God..."

While it is true that many, including the Apostle Paul, have been beheaded for the witness of Jesus, if you read it CAREFULLY you will see that this Scripture passage is SPECIFICALLY referring to this present time frame of the Kingdom of Satan on earth (the Kingdom of the Beast or AntiChrist) and the period when the cashless society will be manifested with the mark (Digital Angel?) in one's hand or forehead and it's blasphemous world religious system of Revelation 13.

This is the end-time hour in which we live, my fellow Americans and concerned Christians. And in order to have mass beheading terminations of so many Christian resisters of the NWO, you must have the tools with which to do it. Bible prophecy, even that of negative implications for Christians, will be fulfilled regardless of whether we like it or not. And the guillotines ARE HERE!

You can expect to see these modern guillotines in the near future throughout America. But if you read the rest of the verse carefully, you will see that there is no need to fear: those beheaded for their witness of Jesus will also be resurrected to reign with Jesus Christ at His return! The end for those who trust Him and refuse to deny Him is TOTAL VICTORY! Because I believe in Bible Scriptures, I have no fear as I investigate and expose such things. I face the same persecution as all my fellow Christians in North America.

Will I be called upon to give my life for my testimony of Jesus and what I report upon??? Will YOU? Undoubtedly. But I have chosen to believe the Word of God, and to reject fear."In God have I put my trust. I will not fear what man can do to me, for this I know, that God is for me." In spite of all I report on regarding concentration camps, boxcars and shackles and coming NWO takeover in America, I have perfect peace in my heart. AND YOU CAN TOO!

OUR God of salvation through Jesus Christ IS greater than the Lucifer directing their New World Order. And regardless of what God may permit to happen in our lives, we can have the satisfaction of knowing as born again Christians that we are sealed for eternity as God's children and that our names are written in the Lamb's book of Life. Life is a series of choices.

We therefore must CHOOSE to confess Jesus Christ before men and to seek God for the grace to remain faithful unto death throughout the coming times of testing. For the true Born-again believer in Jesus Christ, death holds no fears.

Will you choose to obey the Word of God, and to confess Jesus Christ before men boldly, trusting Him to bring you through the coming times of testings???

It makes no difference if such a confession costs even your home...your job...your car and more. There is NOTHING MORE IMPORTANT than your eternal soul!

"For what shall it profit a man, if he gain the WHOLE WORLD and lose his soul?" declared Jesus Christ. If you, as a Christian, are moved to deny Jesus Christ before men for any reason (even to save your own life) YOU WILL PERISH! We Christians are living in a hour in which we must realize that it is impossible for us to preserve our lives at the cost of our eternal souls...we can only seek God for the grace to lay our lives down completely and faithfully for Jesus Christ and the Gospel. End-time persecution is surely coming, and all our protesting and denial cannot stop it.

For those of you great American Patriots, it is time for mature Christianity, and it is time to EMBRACE THE CROSS.

Reporting from across the nation, Pamela Schuffert (American Holocaust Coming Blogspot)

Why Are Modern Guillotines on Military Bases in America?

[Editor's Note: There is no doubt in my mind that guillotines are being stored on selected military bases in America. Pam Schuffert had first hand conversations with people who have seen them. I'm equally convinced that [crematoriums have been installed](#) on many of the larger FEMA concentration camps, both here on the mainland and in Hawaii. Pam Schuffert accurately foretold of coming events when she titled her web site "*American Holocaust*" from its inception in the 1990s. Ronald Reagan, New World Order Bedtime Bonzo that he was, sold us out by signing away our fate to the dictates of **Chabad-Lubavitch** rabbis with the Talmudic interpretation of the "[Noahide Laws](#)" enshrined in **Public Law 102-14**, signed in 1983 by Bonzo. This federal statutory "law", which can be invoked at any time, established the legal grounds for EXECUTION by decapitation, anyone who is found guilty of "*avoda zara*" (idol worship) which according to halachic Judaism authority **Maimonides**, includes [anyone who worships Jesus Christ](#) (source: Michael Hoffman's impressive 2008 tome, *Judaism Discovered*).

I do not concur with the [Christian fundamentalist belief in The End Times](#), the [Rapture](#), the [physical return of Christ](#), Armageddon, or the Millennium which I have identified as [British Israel](#), however, I have no quarrel with those who do just as long as they aren't aiding and abetting the New World Order, as exemplified by the so-called Christian Zionists of the [John Hagee](#) variety.

Our shamefully dumbed-down American public [refuses to take these warnings seriously](#) because they [cannot imagine that the betrayal is as huge as it actually is](#) and they are so *utterly dependent* on what they witness **locally**, meaning that since they don't see the the 12 foot high barb wire fence around FEMA concentration camps in [their neighborhoods](#), they must not exist and this woman is merely making up wild stories! Woe be to you Foolish America when they come for you and your family...Ken Adachi]

[Why Are Modern Guillotines on Military Bases in America? by Pam Schuffert \(Feb. 15, 2009\)](#)

The GUILLOTINES (modern military/metal, both imported and made in USA, present in many of our US military bases, and also installed in certain varieties of PRISONER BOXCARS WITH SHACKLES prepositioned nationwide for martial law according to eye-witness accounts) are here for only one purpose, in today's modern society.

[http://www.google.com/search?
hl=en&q=boysel+guillotines+fort+lewis&btnG=Google+Search&aq=f&oq=](http://www.google.com/search?hl=en&q=boysel+guillotines+fort+lewis&btnG=Google+Search&aq=f&oq=)

They are here to fulfill the purpose of THE NOAHIDE LAWS legislation signed by George Bush Sr., as part of the procedure of implementing the coming WORLD GOVERNMENT OF ANTICHRIST (NWO), and that is TO BEHEAD ALL OFFENDERS OF THE NOAHIDE LAWS provisions for EXECUTION of people (Gentiles) guilty of "IDOLATRY" and "BLASPHEMY AGAINST GOD."

<http://www.google.com/search?hl=en&q=noahide+laws+jews+behead+christians&btnG=Search>

Being interpreted, "BEHEAD CHRISTIANS who believe that Jesus Christ is GOD IN THE FLESH and DIVINE."

In this day of modern technology and advanced methods of execution available, there can ONLY be one purpose for the millions of modern guillotines present not only in US military bases, but uncovered through in-depth research to be in various locations worldwide, and that is to fulfill the MANDATES OF THE NOAHIDE LAWS against those who will not conform to it's Jewish religious dictates.

EXECUTION BY BEHEADING is dictated for those who break THREE of the 7 NOAHIDE LAWS.

CONFORM in this case means for CHRISTIANS TO RENOUNCE THEIR FAITH IN JESUS CHRIST as the SON OF GOD and DIVINE...something which is utterly hated by the Jewish community and HAS been, obviously, for 2000 years now.

In fact, Bible prophecy even refers to this aspect of the coming WORLD GOVERNMENT being ANTICHRIST.

The Bible speaks in Revelation 20:4 of the souls of those who are beheaded for their witness of JESUS CHRIST and the word of God, who essentially will not go along with this satanic world government (NWO) under Satan and it's "cashless society" and apostate antichrist religious system.

The Bible declares, in fact, that all those who are beheaded for their faith in Jesus Christ under this upcoming antichrist world system, will be resurrected to REIGN WITH JESUS CHRIST OVER THE WORLD during the genuine THOUSAND YEAR MILLENNIAL REIGN of God on the earth through His Son, Jesus Christ.(Revelation 20:4)

[http://www.google.com/search?
hl=en&q=Revelation+20%3A4+christians+beheaded&btnG=Search](http://www.google.com/search?hl=en&q=Revelation+20%3A4+christians+beheaded&btnG=Search)

And speaking of "the spirit of ANTICHRIST," it ORIGINATED with the Jews 2000 years ago when Jesus Christ was rejected by His Jewish people, condemned to die on a cross, and declared to be NOT THE MESSIAH by the religious leaders of His day.

This spirit of antichrist and Jewish persecution of the Christians has continued for 2000 years now, taking various forms, most notably under the twentieth century persecution/martyrdom of millions of Christians, initiated and carried out under JEWISH BOLSHEVIK COMMUNISM.

[http://www.google.com/search?
hl=en&q=jewish+bolshevik+communism+origins+founders&btnG=Search](http://www.google.com/search?hl=en&q=jewish+bolshevik+communism+origins+founders&btnG=Search)

Christians continue to this day to be persecuted, imprisoned, tortured and martyred worldwide under this ongoing communist attack against Christianity, with historically confirmed Jewish origins, founders, financial funders, and those who carry it out.

The Bible declares that this spirit of antichrist, directly under SATAN'S POWER (Revelation 13) will ultimately RULE THE WORLD completely, authorizing Christians to be PUT TO DEATH worldwide.

Enter the NOAHIDE LAWS and provision for the BEHEADING OF THOSE WHO CONFESS JESUS CHRIST, as Bible Prophecy declares is to come. And this is why UN (NWO)prisoner boxcars often have eyewitness sightings of modern guillotines installed in them, besides shackles and benches.

I personally have interviewed two people who were eye witnesses to the modern guillotines in the prisoner boxcars, Marie McCullough of SC (Christian missionary who witnessed these boxcars with 4 other people traveling with her) and Jericho of FL (former NWO agenda participant who personally confirmed to me at Bradenton Christian Retreat, FL, that the prisoner boxcars and shackles in Asheville, NC, contained NOT only shackles, but a modern guillotine in each one.)

[http://www.google.com/search?
hl=en&q=montana+boxcars+shackles+guillotine+marie&btnG=Search](http://www.google.com/search?hl=en&q=montana+boxcars+shackles+guillotine+marie&btnG=Search)
[http://www.google.com/search?

CIA sources have also abundantly confirmed the GUILLOTINE PRESENCE in America and their NWO/Noahide Laws purposes as well.

<http://www.google.com/search?hl=en&q=Elaine+cia+assassin+guillotines+nwo&btnG=Search>

The spirit of ANTICHRIST originated with the Jews 2000 years ago, has been passed down throughout history for 2000 years now, and IT WILL BE FULLY CULMINATED with the Jews through their antichrist world globalist (communist) government that will indeed put Christians (and all other NWO resisters) to death...just as Bible Prophecy declares clearly.

NOAHIDE LAWS require numerous tools for MASS BEHEADINGS just for America alone. Hence, THE GUILLOTINES.

At least 80 percent of Americans claim to be "CHRISTIANS."

Well (heh-heh) we shall someday SEE just how "CHRISTIAN" these people who profess to be, REALLY ARE, as martial law is declared, the GUILLOTINES ARE PUBLICLY DISPLAYED, and supposed "Christians" (NWO resisters, etc) are arrested and lined up and the guillotine operators are crying out..

"NEXT...!!!"

Hmmm...talking about a future separation of THE SHEEP from the GOATS. Persecution somehow always seems to do this.

The good news is, READ REVELATION 20:4. WE CHRISTIAN NWO RESISTERS WIN. SO bring on your guillotines, boyz!

"NO FEAR."

Subject: Nancy, Massachusetts (Hurricane victims will be sent to Otis Air Force Base)
Date: Sun, 4 Sep 2005 19:49:34 -0400

Dear Pamela,

I just heard on a local radio station that **2,500** victims from hurricane Katrina will be leaving Texas and headed for Massachusetts in the next 72 hours. The original plan last night from the Mayor of Boston, Mayor Minimo said that they would be able to go to the Boston convention Center because there is plenty of room. Today the plan changed to **Otis Air Force Base, Camp Edwards**.

Governor Nick Romney got on the radio today and said that they would be fingerprinted and contained within wire. He used the reason that there is a need for very high security because top secret planes come and go in and out of this base.

You and I both know this is bull. I want to know if you could help me inform the mayor of New Orleans of what is going to happen to his people. Do you think he is in on it and it is just a waste of time? I want to let him know that the storm is man made by HAARP Technology and was a direct hit to intentionally make the area uninhabitable in order to begin phase I of martial law.

Please respond ASAP.

I do not think Jesus our Saviour wants us to sit back and let this happen to these people. We can be sure more of the bases will be used. Please write me back.

Sincerely, Nancy

This last sentence is for anyone who wants to hurt these people and also hurt other people in the future. Read this and read this well. Jesus Christ is the Most High God. Jesus Christ is the Only God. The Kingdom of Jesus will be established. His blood is upon us washing us clean. I rebuke any and all demonic entities that are and will interfere with this e-mail. The blood of the Lamb is covering this e-mail. It has all power. All enemies will not succeed in interfering with this e-mail. It is covered with the blood of the Risen, Living, Son of God. You better hide if you try to interfere with the Blood of The Lamb. Amen. Thank you, Jesus, Thank you God, The Father, Thank You Holy Spirit. All Power. Glory, Honor is Yours. Now and FOREVER. I am a servant of Jesus Christ. He is the Master in charge. Enemies BEWARE. Run to hide from the Eyes of Jesus Christ, The risen, living Son Of God. AMEN

I have long told my fellow Americans that, when Martila Law or a National Emergency is declared, either in a region or in the nation, the camps would be activated. And that for many fellow Americans, they would find themselves facing **termination** as well in these camps. Many AIR FORCE BASES have **gassing/crematoria facilities** as well, like TINKER AFB in OK.

What is going to happen to our fellow Americans now at OTIS AFB? Read the following forwarded message.

NORAD Source Tells of US Military Role Under Coming Martial Law

Report # 1

By Pam Schuffert <MyTWaryor4JC@aol.com>
<http://educate-yourself.org/ps/psnoradsourcemartiallaw17jul01.shtml>
July 17, 2001

I recently interviewed (while in Germany) a former US military source with previous high level security clearances and who was formerly employed at NORAD in Cheyenne Mountain in Colorado. During his period of working there in security, he was **shown a glossy military manual illustrating the US military vision for the coming New World Order**, with future projections up to the year 2020. In this manual, he noted that [the borders between Canada, America and Mexico were ALL ERASED and realigned](#).

He was shown how TEN POWERFUL MEN would be over this New World Order, who were also very powerful in the business/financial world. He was told that all the banks would merge into a "world bank" plus many other things regarding the coming New World Order.

While employed at NORAD, he was informed as to how the US Post Offices would be used for REGISTRATION of ALL AMERICAN CITIZENS under MARTIAL LAW. He was assigned to a local Post Office in the event of MARTIAL LAW and trained in "how to execute citizens IF THEY OFFERED RESISTANCE" while registering at the US Post Offices. (One bullet through the back of the head with a high powered military handgun.) He admitted that families would then actually be separated from loved ones during the US Post Office registration procedure, and some would be sent off to "work camps" (concentration camps, even as were the Jews who were only told that it was "work camps"?) Buses and vans would be waiting at the Post Offices to transport them away.

When he was invited to become a part of the coming New World Order military agenda, he declined...as did many other military men. But many also accepted this offer. He then personally showed me his file with his official military papers indicating his work at NORAD, and his high positions in the military and combat security status.

He knows that the US military's role in COMING MARTIAL LAW IS REAL. For the US military, THE NEW WORLD ORDER IS A COMING REALITY.

Locals report Internment/Crematorium Facilities on Oahu

BBC Interviews Chinese Sailors Preparing for "American Invasion"

By Pam Schuffert < MyTWaryor4JC@aol.com >
<http://educate-yourself.org/ps/psrcresmokestackshawaii31jul01.shtml>
July 31, 2001

I have just concluded giving a three hour videotaped lecture documenting the coming of martial law to Oahu's Patriot community under the leadership of Jack O'Keefe. The response was tremendous: there was standing room only in the back of the meeting location. I enjoyed the kind Hawaiian reception and the people immensely. I appreciated the attentive attitude and seriousness with which they received my information.

While lecturing, I learned from the attendees a great deal regarding what they knew about the preparations of martial law in Hawaii. They informed me that **huge smokestacks** have been erected on a **high security government facility on Oahu**.

As I discussed the documented concentration camps scattered across America, a look of recognition came upon many faces. Several attendees interrupted me to share how three local investigators had researched a suspected future internment area, and had **uncovered evidence of a prison camp with crematory oven facilities as part of the fenced facility located in Pearl City on Oahu** where large smokestacks rise up over the facility.

Although it was empty until recently, government officials have now been using part of this secured facility to intern domestic sex offenders...apparently to take away the suspicions of islanders as to the facility's true purpose when martial law is declared, but the local researchers who looked at this facility and videotaped it are concerned that the facility has all of the logistical markings of a internment/death camp facility.

One attendee who researches evidence of coming martial law, shared at the meeting how one man, with prophetic gifting, had been warning Islanders about coming martial law, and shared psychic visions of Chinese military being used to seize the Hawaiian Islands for the New World Order.

This vision would confirm what my observations have uncovered about the coming Chinese presence in America for the New World Order

A while ago, the British BBC sent a camera crew to the Straits of Formosa to film Chinese Naval maneuvers. They were permitted to board the boats and to observe. Some went to the young Chinese crewmen and interviewed them. The broadcast was then aired on British television.

What came forth on the documentary was shocking. **The cameramen asked the young Chinese crewmen, "What are you practicing for?" The reply?**

"We are preparing for the invasion of America!"

The Chinese government demanded, after the first airing on British television, that this documentary be pulled and no longer aired over British television. It had been scheduled to air two consecutive nights (Saturday and Sunday.) But following the Saturday night broadcast, it was never shown again on British television. (Source: a military veterans' watchdog group whose leader I personally know.)

The reader MUST understand that both China and Russia are joined with the traitorous NWO takeover elements of America through the TRILATERAL ALLIANCE TREATY. This treaty makes provision for both CHINESE and Russian troops to work with the traitorous elements of our military when martial law comes down, to conduct door-to-door "search, seizure and arrest" maneuvers, to march arrested Americans off to the internment/death camps, and secure America under martial law for the New World Order.

Now...the Hawaiian Islands are truly a part of America. and they are the CLOSEST part of America to the Chinese mainland. I can only imagine what an ideal "test case scenario" the Chinese military and Navy would find the Hawaiian Islands to be...on the way to their conquest of mainland America.

There is much evidence of Chinese, Russian and German military presence on the islands and around them, with Russian military and Chinese military naval vessels often conducting military exercises in the surrounding waters.

Jack O'Keefe has informed me that there is a German military presence on the American military bases here in Hawaii. He said, "German military (Bundeswehr) are often stationed in the security gate entrances of our military bases, and you KNOW they are German because their names and where they are from are posted on the welcome board, so you can address them by name. We often see German military personnel posted at the security gate entrances of some bases..." In light of my research in Germany for the past six months, and uncovering clear evidence of their

massive role in the future martial law takeover of America, I find this yet another ominous warning signal of the coming of martial law and the New World Order takeover of America.

"TOP SECRET" U.S MILITARY DOCUMENT DECLARES EXISTENCE OF "DOMESTIC INSURGENCY" INSIDE U.S.

PLAN OUTLINES GOVERNMENT INTENT TO USE MILITARY FORCE AGAINST U.S. CITIZENS OVER POLITICAL ISSUES! DESCRIBES USING PSYCHOLOGICAL OPERATIONS, OUTRIGHT MILITARY FORCE AND MEDIA PROPAGANDA AGAINST U.S. CITIZENS

By: Hal Turner

North Bergen, NJ -- As a radio talk show host, I receive a whole slew of e-mail and regular mail

about virtually every issue under the sun. Much of it gets deleted or thrown away. Some of it

results in stories appearing on my web site or being discussed on my show. Every once in awhile,

something akin to a bombshell arrives and yesterday, July 18, 2007 was one such day.

I came into possession of portions of a U.S. military plan which was allegedly classified "Top

Secret." This put me in a bind because without having a security clearance myself, having

something which is Classified is unlawful. Reading such a document is also unlawful and

revealing it to the public is definitely unlawful. So, I thought about it. I decided screw it, I'm going

to read it. As I read the document, my blood ran cold. Chills ran up my spine. The hair on the back of my

neck stood up. My gut started churning. **This document is an operational plan to use U.S.**

military troops against U.S. Citizens! The plan says "*A perceived serious potential of dissident American groups rising up against constituted authority has been clearly identified by counter-intelligence agencies.*[Underlining mine]

The plan goes on to say why people are clearly thinking of rising up and throwing-off our federal

government by saying "*The stated cause for such an uprising appear to be growing dissatisfaction with the course and conduct of the war in Iraq, the chronic inability of Congress to*

deal with various pressing issues and the perception of widespread corruption and indifference to

public needs."

Sounds accurate to me. In fact, it describes perfectly reasonable justification for the America

people to utilize our original right of self-defense against such a government or for us to impose reform!

Most stunning about the plan is that it talks about political reform and offers an unbelievably outof-touch, completely un-American observation: "*Reform may be necessary, but reform is a matter for the state*"

A matter for the state? We The People ARE the state. We The People decide on reform. For this

U.S. military plan to assert "Reform may be necessary, but reform is a matter for the state" is like

reading something out of the old Soviet Union! What planet are these people on?

The truly chilling parts of this plan involve the use of "**Informant nets**" of Americans literally

spying on their fellow citizens and "**Block Control**" where the plan calls for "*trusted resident*

reports on the activities of people in their neighborhoods." Folks, this is what Fidel Castro does in

Communist Cuba!

As you read the details below, remember this: This plan has been drawn up by OUR military. The

military WE hired, WE train, WE equip, WE feed, WE clothe, WE house. It is an OUTRAGE that

anyone in our military would DARE to even create such plan, never mind try to implement it!

A Blunt warning to our Government and our Military:

In our nation of 300 million people, there are at least 95 million lawful gun owners. Those 95

million guns owners lawfully possess 212 million firearms. Even if the government recalled ALL military members from around the entire world, they would have a force of only about two million.

95 million gun owners versus 2 million troops. I think we all know how this would turn out: the

government would be slaughtered. In fact, if only ten percent of the 95 million gun owners had guts enough to fight, we would still outnumber the military almost 3:1.

We The People of the United States aren't the least bit worried about government tanks and

planes, those tools are useless in guerilla warfare. Want proof? Iraq! The U.S. government is

getting its ass kicked over there. Government wouldn't last a week if they tried implementing this plan here.

Government would do well to remember they exist at the whim and behest of the American

people. Government in this land exists to serve us as we direct. The power government wields belongs to The People. We The People merely LEND part of our power to government and we have the absolute right to take that power back at any time we deem appropriate. In fact, the founding fathers made clear we can take

it back in any MANNER we deem appropriate! That's why they gave us the Second Amendment!

If the U.S. government or military dares attempt to implement this plan, they should expect to be killed.

Classification: Top Secret-NoFORN as of 1 June 2007

Distribution Restriction: Distribution authorized to the DOD and DOD contractors only to maintain operations security. This determination was made on 1 June 2007. Other requests for this document must be referred to (redacted)

Destruction Notice: Destroy by any method that will prevent disclosure of contents or reconstruction of the document. This publication uses the term insurgent to describe those taking part in any activity designed to undermine or to overthrow the established authorities. Counterinsurgency is those military, paramilitary, political, economic, psychological, and civic actions taken by a government to defeat insurgency (JP 1-02). It is an offensive approach involving all elements of national power; it can take place across the range of operations and spectrum of conflict.

In dealing with the local populace, the primary aims must be to:

- Protect the population.
- Establish local political institutions.
- Reinforce local governments.
- Eliminate insurgent capabilities.
- Exploit information from local sources.

An insurgency is organized movement aimed at the overthrow of a constituted

government through use of subversion and armed conflict (JP 1-02). It is a protracted politico-military struggle designed to weaken government control and legitimacy while increasing insurgent control. Political power is the central issue in an insurgency. An insurgent organization normally consists of four elements:

Leadership.

Combatants (main forces, regional forces, local forces).

Cadre (local political leaders that are also called the militants).

Mass base (the bulk of the membership).

The support of the people, passive or active then, is the center of gravity. It must be gained in whatever proportion is necessary to sustain the insurgent movement (or, contrariwise, to defeat it). As in any political campaign, all levels of support are relative.

Insurgent movements begin as "fire in the minds of men." Insurgent leaders commit themselves to building a new world. They construct the organization to carry through this desire. Generally, popular grievances become insurgent causes when interpreted and shaped by the insurgent leadership. The insurgency grows if the cadre that is local insurgent leaders and representatives can establish a link between the insurgent movement and the desire for solutions to grievances sought by the local population. Insurgent leaders will exploit opportunities created by government security force actions. The behavior of security forces is critical. Lack of security force discipline leads to alienation, and security force abuse of the populace is a very effective insurgent recruiting tool. Consequently, specific insurgent tactical actions are often planned to frequently elicit overreaction from security force individuals and units.

Insurgencies are dynamic political movements, resulting from real or perceived grievance or neglect that leads to alienation from an established government. A successful counterinsurgency will result in the neutralization by the state of the insurgency and its effort to form a counter state. While many abortive insurgencies are defeated by military and police actions alone, if an insurgency has tapped into serious grievances and has mobilized a significant portion of the population, simply returning to the status quo may not be an option. Reform may be necessary, but reform is a matter for the state, using all of its human and material resources. Security forces are only one such resource. The response must be multifaceted and coordinated, yet states typically charge their security forces with "waging counterinsurgency." This the security forces cannot do alone. These imperatives are:

- Facilitate establishment or reestablishment of a 'legitimate government'.
- Counterinsurgency requires perseverance.

- Foster popular support for the incumbent US government.
- Prepare to perform functions and conduct operations that are outside normal scope of training.
- Coordinate with US governmental departments and agencies, and with vital nongovernmental, agencies.

Urban operations.

- Protection of government facilities.
- Protection of infrastructure.
- Protection of commercial enterprises vital to the HN economy.
- Protection of cultural facilities.
- Prevention of looting.
- Military police functions.
- Close interaction with civilians.
- Assistance with reconstruction projects.
- Securing the national borders.
- Training or retraining a national military police and security force.

Establishing and maintaining local government credibility.

- Contributing local government is both tangible and psychological. Local security forces must reinforce and be integrated into the plan at every stage.
- Facilitate and use information and intelligence obtained from local sources to gain access to the insurgent's economic and social base of support, order of battle, tactics, techniques, and procedures. Army forces help local pro-government police, paramilitary, and military forces perform counterinsurgency, area security, or local security operations. They advise and assist in finding, dispersing, capturing, and destroying the insurgent force. US forces may conduct offensive operations to disrupt and destroy insurgent combat formations. These operations prevent the insurgents from attacking government tcontrolled areas. There are many organizations and extensive resources available to aid counterinsurgent forces. Commanders should not overlook the aid these organizations may provide. All forces assigned an AO or function should determine which departments and agencies are assisting in that AO and coordinate actions so that there is no duplication of effort. Such departments, councils and agencies include-

- National Security Council.

- Department of Defense.
- Department of State.
- Department of Justice.
- Department of the Treasury.
- Department of Homeland Security.
- Department of Agriculture.
- Department of Commerce.
- Central Intelligence Agency.
- Department of Transportation

Various governmental departments directly administer or support other governmental agencies. Examples of these US agencies are-

- The US Coast Guard (under Department of Homeland Security).
- The Federal Bureau of Investigation (under Department of Justice).
- Immigration Customs Enforcement (under Department of Homeland Security).
- Federal Communications Commission

. The proper application of force is a critical component to any successful

counterinsurgency operation. In a counterinsurgency, the center of gravity is public

support. In order to defeat an insurgent force, US forces must be able to separate

insurgents from the population. At the same time, US forces must conduct themselves in a manner that enables them to maintain popular domestic support. Excessive or indiscriminant use of force is likely to alienate the local populace, thereby increasing support for insurgent forces. Insufficient use of force results in increased risks to US forces and perceived weaknesses that can jeopardize the mission by emboldening insurgents and undermining domestic popular support. Achieving the appropriate balance requires a thorough understanding of the nature and causes of the insurgency, the end state, and the military's role in a counterinsurgency operation. Nevertheless, US forces always retain the right to use necessary and proportional force for individual and unit self-defense in response to a hostile act or demonstrated hostile intent.

The media, print and broadcast (radio, television and the Internet), play a vital role in societies involved in a

counterinsurgency. Members of the media have a significant influence and shaping impact on political direction, national security objectives, and policy and national will. The media is a factor in military operations. It is their right and obligation to report to their respective audiences on the use of military force. They demand logistic support and access to military operations while refusing to be controlled. Their desire for immediate footage and on-the-spot coverage of events, and the increasing contact with units and Soldiers (for example, with embedded reporters) require commanders and public affairs officers to provide guidance to leaders and Soldiers on media relations. However, military planners must provide and enforce ground rules to the media to ensure operations security. Public affairs offices plan for daily briefings and a special briefing after each significant event because the media affect and influence each potential target audience external and internal to the AO. Speaking with the media in a forward-deployed area is an opportunity to explain what our organizations and efforts have accomplished.

Continuous PSYOP are mounted to-

- Counter the effects of insurgent propaganda.
- Relate controls to the security and well-being of the population.
- Portray a favorable governmental image.

Control measures must-

- Be authorized by national laws and regulations (counterparts should be trained not to improvise unauthorized measures).
- Be tailored to fit the situation (apply the minimum force required to achieve the desired result).
- Be supported by effective local intelligence.
- Be instituted in as wide an area as possible to prevent bypass or evasion.
- Be supported by good communications.
- Be enforceable.
- Be lifted as the need diminishes.
- Be compatible, where possible, with local customs and traditions.
- Establish and maintain credibility of local government.

A control program may be developed in five phases:

- Securing and defending the area internally and externally.

- Organizing for law enforcement.
- Executing cordon and search operations.
- Screening and documenting the population (performing a detailed census).
- Performing public administration, to include resource control.

Support to the judiciary may be limited to providing security to the existing courts or may lead to more comprehensive actions to build local, regional, and national courts and the required support apparatus. To avoid overcrowding in police jails, the courts must have an efficient and timely magistrate capability, ideally co-located with police stations and police jails, to review cases for trial.

Cordon and search is a technique used by military and police forces in both urban and rural environments. It is frequently used by counterinsurgency forces conducting a population and resource control mission against small centers of population or subdivisions of a larger community. To be effective, cordon and search operations must have sufficient forces to effectively cordon off and thoroughly search target areas, to include subsurface areas. PSYOP, civil affairs, and specialist interrogation teams should augment cordon and search forces to increase the effectiveness of operations. Consider the following when conducting cordon and search operations:

Cordon and search operations may be conducted as follows:

Disposition of troops should-

- Facilitate visual contact between posts within the cordon.
- Provide for adequate patrolling and immediate deployment of an effective reserve force.

Priority should be given to-

- Sealing the administrative center of the community.
- Occupying all critical facilities.
- Detaining personnel in place.
- Preserving and securing all records, files, and other archives.

Key facilities include-

- Administrative buildings.
- Police stations.
- News media facilities.
- Post offices.

- Communications centers.
- Transportation offices and motor pools.
- Prisons and other places of detention.
- Schools.
- Medical facilities.

Search Techniques include-

- Search teams of squad size organized in assault, support, and security elements.

One target is assigned per team.

- Room searches are conducted by two-person teams.
- Room search teams are armed with pistols, assault weapons, and automatic weapons.
- Providing security for search teams screening operations and facilities.

Pre-search coordination includes-

- Between control personnel and screening team leaders.
- Study of layout plans.
- Communications, that is, radio, whistle, and hand signals.
- Disposition of suspects.
- On-site security.
- Guard entrances, exits (to include the roof), halls, corridors, and tunnels.
- Assign contingency tasks for reserve.
- Room searches conducted by two- or three-person teams.
- Immobilize occupants with one team member.
- Search room with other team member.
- Search all occupants. When available, a third team member should be the re-corder.
- Place documents in a numbered envelope and tag the associated individual with a corresponding number.

SCREENING AND DOCUMENTING THE POPULATION

Screening and documentation include following:

- Systematic identification and registration.
- Issuance of individual identification cards containing-
A unique number.
Picture of individual.
Personal identification data.
Fingerprints.

An official stamp (use different colors for each administration region).

Family group census cards, an official copy of which is retained at the local police agency. These must include a picture and appropriate personal data.

Frequent use of mobile and fixed checkpoints for inspection, identification, and registration of documents. Preventing counterfeiting of identification and registration documents by laminating and embossing. Programs to inform the population of the need for identification and registration. Covert surveillance is a collection effort with the responsibility fixed at the intelligence/security division or detective division of the police department. Covert techniques, ranging from application of sophisticated electronics systems to informants, should include- informant nets. Reliability of informants should be verified. Protection of identity is a must.

Block control. Dividing a community or populated area into zones where a trusted resident reports on the activities of the population. If the loyalty of block leaders is questionable, an informant net can be established to verify questionable areas.

Units designated for counterinsurgency operations

- 115th MIB, Schofield, HI
- 704th MIB, Fort Meade, MD, Collaboration with NSA
- 513st MIB, Fort Gordon, GA in Collaboration with NSA
- Arlington Hall Station, VA
- Aberdeen Proving Ground (Maryland)
- US Army Intelligence and Security Command INSCOM- Huachuca (Arizona)
- INTELLIGENCE THREAT and ANALYSIS CENTER (Center Analysis for threat and Intelligence)
- 501st Military Intelligence Brigade EAC
- 3rd Military Intelligence Battalion Exploitation Area

. The document continues, page after page, throughout almost nine-hundred pages. In those other pages, the document outlines "REX 84" "FEMA concentration camps", already

established, constructed and manned inside the United States, to be utilized to house "insurgents" who are rounded-up by government.

Conclusions

When I read the document, I knew that I could be criminally prosecuted for having it, prosecuted on a separate charge for reading it and prosecuted yet again for releasing information contained within it.

I decided that the threat to Liberty posed by the document made it imperative that I take action

and I have done so. Now, all of you know!

I also realized that in order for the U.S. Government to prosecute me, the document would have

to be authentic. They would have to admit the Document is authentic and actually Classified in

order to bring any prosecution.

Since such an admission would prove me right and be an ominous warning to all of you that real

trouble is here, I suspect I am safe from any reprisals for the time being. It's a gamble with

enormous consequences, but saving our Republic from a tyrannical government is worth my risk.

It is clear to me that very serious things are on the horizon here in America. It will be up to us,

citizen-patriots, to step up to defend our liberty. I am ready. Are you?

US MARINE DRILL SERGEANT BOASTS OF WHAT THEY WILL DO TO CIVILIANS UNDER MARTIAL LAW IN THE USA/MONTANA

I am still kinda reeling from what a US Marine admitted to me in a long conversation...a crack US Marine drill sergeant with 12 years of professional training and being a trainer in the Marines. He specialized in hardening them to win (ie-fire on women and children wherever appropriate, "show no mercy" etc.)

He CONFIRMED lots of things to me to me I already knew, and revealed lots of new things to me.

MARINE CONFIRMS PRISONER BOXCARS PREPOSITIONED EVERYWHERE FOR MARTIAL LAW-

HE ADMITTED (actually, BOASTED would be more appropriate) that there were INDEED PRISONER BOXCARS PREPOSITIONED EVERYWHERE THROUGHOUT MONTANA where I interviewed him(and nationwide)...that the military has properly assessed the civilian resistance/militia threat under martial law, and hence had everything in place for a military takeover USING US MARINES HEAVILY.

Quote:

"WHY do you THINK that they have the Marines in place in Billings, Montana, " he bragged. He explained that MARINES would be used most heavily in Montana(and NATIONWIDE) under martial law...and he was evidently quite proud of their role. He admitted they had been hardened to kill...and that killing women and children would be a part of their agenda wherever deemed necessary.

WHY? He said that under a state of war or martial law, it is a known fact that women can be used and even children to convey information to"the enemy." (OR to combat US forces.)

He shared then how many men in his platoon stationed overseas had been killed or hurt because a Marine refused his orders, to fire on an eight year old child. The child was suspected to be a courier for the Mujahideen, transporting information about Marine logistics and whereabouts,to the Moslems they were fighting. And as a result of enemy information getting thru, many men in his platoon were injured or killed by resultant Moslem attack.

Quote:

"The child may not have even known what he was transporting," the Marine told me, "But the damage to our men occurred regardless...all because one man refused his orders and failed to take out this threat..."

We discussed the BOXCARS AND SHACKLES and MILITARY DETENTION CAMPS under MARTIAL LAW issue. A knowing smile broke out on his face as I described to him my research on future MARTIAL LAW and the role of PRISONER BOXCARS WITH SHACKLES.

When I mentioned how my research on this subject brought me to the HIGHLINE (the railroad tracks that run parallel to HIGHWAY 2 in northern Montana) and northern Montana, he admitted...

Quote:

"The boxcars are NOT just up there...we have them spread out ALL OVER MONTANA...Billings...Bozeman..." He went on to name city after city in Montana.

TERMINATION IN THE PRISONER BOXCARS, MARINE STYLE-

"LIKE SHEEP LED TO SLAUGHTER"

We discussed what would happen ONCE people were arrested under martial law and brought into these boxcars. MARINE style.

Quote:

He said, "In many cases they won't even waste a bullet on them. MANY WILL NEVER REACH THE CAMPS ALIVE. They have this thing we called a 'staple gun'..." I asked

him to elaborate. "This 'gun' shoots out a long metal rod that hits another piece of metal...they just hold that to someone's head like a gun and...."

He was in fact describing a STUN GUN, the same kind used to stun cattle and sheep in slaughterhouses prior to processing.

I understood. With the same effect that a BULLET THRU THE HEAD, favored by military for dispatching people under such circumstances, would have. Only THIS way, the American people will become LIKE SHEEP LED TO SLAUGHTER...literally.

And like dumb sheep led to slaughter, civilians arrested under martial law are not even considered worth the cost of a bullet...

Quote:

RED-FLAG/BLACK FLAG- MARINE STANDARDS FOR "WHO SHALL LIVE, WHO SHALL DIE"

We discussed various LISTS or status of people, once arrested, under MARTIAL LAW would have. You know, like FEMA RED-BLUE lists, etc.

He responded by admitting that FEMA WAS ONLY A FRONT FOR SUCH OPERATIONS, and that IN FACT IT WOULD BE THE US MILITARY (with foreign troop assistance, UN/NATO/Pfp etc.,) OPERATING THE BOXCARS AND DEATHCAMPS.

He said that the Marines had their RED FLAGGED people and BLACK FLAGGED people. When people come up RED FLAG on their computerized list, it is a person that will be arrested and taken to military camps, but may be "salvageable" (or can be rehabilitated, re-educated, etc.)

But when people come up BLACK FLAGGED, they will be arrested and PUT TO DEATH.

NO questions asked.

Quote:

"When taking captives under MARTIAL LAW, we might even use a black flagged person who is going to die anyhow, and MAKE THEM AN EXAMPLE TO THE OTHER PEOPLE WE ARREST TO NOT MESS WITH US AND COOPERATE...by executing that person in front of the others...a form of CONTROL THRU FEAR."

WHY THE US MILITARY IS IN IRAQ-A Marine Explains

I discussed my loathing for the reports we were now receiving from IRAQ, about even young girls and teens being arrested indiscriminately, tortured and sodomized, raped, etc.

Quote:

He replied, "You have to understand the logistics of WAR and what is happening there. Since the US soldiers are surrounded with people (Iraqis) and the enemy in many cases is THE UNKNOWN, that have to have ways to flush them out.

By randomly selecting civilians to interrogate through torture and other means, and then releasing them, they are hoping that when that person who has been roughed up returns to their home or friends, it will provoke them (enemy combatants) into such anger and retaliation that they are FLUSHED OUT INTO THE OPEN so we can deal with them and know who the enemy really is."

He also admitted it creates FEAR in the people towards the occupying army, so that they will hesitate to rebel.

In light of coming MARTIAL LAW, which he admitted WOULD COME DOWN IN AMERICA, I discussed my theory that THE US MILITARY THAT IS BEING HARDENED THROUGH SUCH PRACTICES IN IRAQ TODAY, will be the ones brought home to

PERFORM THE SAME TASKS AGAINST THE US CIVILIANS IN THE FUTURE UNDER MARTIAL LAW.

MARINE MENTALITY-FIRING UPON WOMEN AND CHILDREN AT COMMAND-

He did not deny this. And when I mentioned my concern over whether or not they could get our own US troops to fire upon America citizens, even women and children, he explained to me the MARINE MENTALITY.

Quote:

"These Marines have been hardened to KILL UPON COMMAND. They have been taught to NOT QUESTION THE ORDERS OF THEIR SUPERIORS OR COMMANDING OFFICER. THEY WILL KILL WHOEVER AND WHENEVER THEY ARE COMMANDED TO. " He let me know that concepts of MERCY or COMPASSION are diametrically opposed to WAR and military mentality.

He had trained men himself in the Marines, and admitted he was one of those people hardening OTHER Marines to kill without regret or conscience...even under MARTIAL LAW IN AMERICA.

MILITARY STRATEGY UNDER MARTIAL LAW USA-

We then discussed WEAPONS OF WAR. I fully admitted to him my position in the upcoming MARTIAL LAW holocaust. It was SAFE: we were on neutral ground and martial law has not been declared here YET.

I then discussed my honest assessment, however, of Patriot/civilian resistance. Coming from the kind of military background family I do, I had a much more realistic assessment of modern military might versus civilian resistance. I said,

Quote:

"I always give a salvation message at the end of each radio broadcast I give on the subject of MARTIAL LAW SHOWDOWN...I let the Patriot militias out there know that while I admire their intentions as they stand up for freedom and against the NWO, they frankly have no realistic concept of how highly armed and trained and prepared the military forces of the NWO really are...and that a lot of these good folks are going to factually die with what is coming down when they offer resistance... SO I tell them, 'at LEAST ensure yourselves the ULTIMATE VICTORY of knowing you have ETERNAL LIFE thru Jesus Christ in case you die....and many of you WILL END UP IN HELL should they take you out WITHOUT CHRIST...so GET RIGHT WITH GOD NOW."

He smiled and said, "That's why we Marines have a saying that we will take 'em out and LET GOD SORT 'EM!"

He went on to describe the newer weapons the US military had developed to be used against civilian resistance. Grenades that have caustic substances that when exploded, will eat away any CHEM/BIO BODY SUIT that a resister may be wearing for protection under MARTIAL LAW. Projectiles with uranium shells that when fired will pass through buildings with such power and velocity that they will suck human bodies right out with them through the hole they create in buildings as they emerge (of course destroying the bodies in the process). And more.

THE COMING REALITY OF MICROWAVING DEATH CAMPS UNDER MARTIAL LAW-

He also confirmed the reality of microwave related weapons as well.

I mentioned that in my research on MILITARY DETENTION CAMPS and termination facilities, I knew about GASSING/CREMATORY facilities, and MICROWAVING deathcamps as well.

Quote:

With the smile of a hardened soldier, he replied, "The MICROWAVING facilities have been around since the 1950's. THEY ARE ALREADY BEING USED IN PLACES LIKE KOSOVO and other places...they make our clean-up much more easy after executions. The bodies don't EXPLODE...they IMplode or collapse from the inside...."

I commented on my 6 months of research in Germany at the US military installation called THE MARSHALL CENTER and other locations, to uncover more about the role of UN/NATO foreign troops to be used under martial law in America someday.

Former YUGOSLAVIA is being used as a test case for an entire country brought under UN/NATO control. It has been divided up into FOUR regions, with UN foreign troops assigned to patrol each section. This is much like AMERICA UNDER MARTIAL LAW will be divided up into TEN regions with UN/NATO/PfP troops patrolling each region.

And even now, foreign and America troops are being trained through experience in places like KOSOVO for what they will do under MARTIAL LAW in America someday: roadblocks and searches and weapons seizures, gun confiscation, "search/seizure/arrest" at homes, marching red-flagged/black-flagged, FEMA red/blue

listed people off to boxcars and shackles or buses (OR federal prisoner transport planes) to be held or terminated accordingly, etc.

The fact that THEY ARE EVEN NOW PRACTICING TERMINATING "ENEMIES" UNDER UN/NATO/NWO OCCUPATION in "microwaving deathcamp" facilities leaves a bad feeling in the pit of my stomach.

We have heard of microwave termination facilities here in the US to be used under MARTIAL LAW. I have reported on our suspicions. And now this Marine has provided up front confirmation. He admitted that not only are there gassing/crematory facilities, but the MICROWAVE termination facilities are a present reality as well.

Quote:

Marine Mentality-"LOTS OF AMERICAN ARE DUMB SHEEP!"

I expressed to him my deep concerns over innocent people being terminated in such camps. He explained the military mentality of thinking.

"MOST AMERICAN PEOPLE ARE DUMB SHEEP" and sheep can be dangerous IF they cannot be controlled or pose a threat to the security of the US military forces under martial law or endanger their operations. In such cases THEY MUST BE TAKEN OUT...as in NEW ORLEANS. He admitted that his Marine buddies had been shooting and killing a lot of people down there...people who will not surrender their weapons when asked, etc.

Quote:

"We have the philosophy in the military that you SACRIFICE ONE OR A FEW FOR THE GOOD OF THE MANY..."

In others words, IF a person, OR a group (Patriot leader, militia leader and their group, etc., or various people under martial law) poses a threat to the good of the MANY (in the US military) then they will sacrifice those people.

When I shared with him how my previous research uncovered the hidden reality of NWO RESISTANCE within the ranks of the US military, he looked at me with narrowed eye intensity and responded, "NOT THESE MARINES...NOT MY MEN! These men have been prepared and trained and equipped...THEY ARE PREPARED FOR MARTIAL LAW and they have been trained to WIN."

PARTING INTO THE NIGHT-CONCLUSION

We finally parted and went our separate ways into the night.

But before he left, I told him, "Well , nice talking to you...and whether you know it or not, you just did a HELLUVA PSY-OPS JOB on me, sir..." He just smiled. In fact it took me

all night in prayer just to assess what he had shared with me and finally become calm and drift off to sleep.

WARRIOR CLASS CHRISTIANS AND PATRIOTS-

I simply let him know that there are those among " NWO resistance" that are not afraid to die.

We ARE in fact Major Ralph Peter's WARRIOR CLASS Patriot/Christian resistance that he has formerly described to the US military, and Major Ralph (formerly of PENTAGON INTELLIGENCE) was RIGHT in his assessment of us American Christians/Patriots in his report: we CANNOT be dissuaded from our faith in God and from our stand against NWO despotism and the Satanic darkness behind it all...not even by threats of death or what he just had informed me about US military strategy against resistance under martial law.

Quote:

He looked at the ground and spoke softly and said, "There's not many of your kind out there anymore..." as I continued to witness Jesus Christ and salvation to him.

But there are many more of us than you might think, dear! And by GOD'S GRACE, God is raising up MORE AND MORE committed and informed Christians, who see the NEW WORLD ORDER and the coming MARTIAL LAW TYRANNY for what it is in light of Bible Scriptures, and who are going to THEIR Commander in Chief, God Almighty, for WISDOM, and COUNSEL, and DIRECTION and STRATEGY TO WIN as well!

Quote:

"THESE SHALL MAKE WAR WITH THE LAMB, AND THE LAMB SHALL OVERCOME THEM, FOR HE IS LORD OF LORDS AND KING OF KINGS, AND THEY THAT ARE WITH HIM ARE CALLED, AND CHOSEN AND FAITHFUL." From REVELATION in the BIBLE

Are YOU "WITH HIM" in this critical hour...are YOU with the ETERNALLY WINNING SIDE of JESUS CHRIST???

-Pam Schuffert reporting LIVE from the Pacific Northwest

(The former Major Ralph Peters of PENTAGON INTELLIGENCE, now apparently retired, had written a report for the US Army's PARAMETERS magazine, called "WARRIOR CLASS," in which he discussed NWO RESISTANCE and how there was a group of people among NWO resisters who could NOT be swayed or deterred by conventional military means from their stand against the NEW WORLD ORDER or their religious faith BEHIND their determination to not accept it nor cooperate. He referred to them as WARRIOR CLASS. He then stated in his report in PARAMETERS that SUCH RESISTANCE WILL HAVE TO BE COUNTERED BY THE US MILITARY WITH "IRRESISTIBLE FORCE."

Mystery Prison Buses ...in The Desert

by **Ellen Brown**

from [WebOfDebt](#) Website

Ellen Brown developed her research skills as an attorney practicing civil litigation in Los Angeles. In *Web of Debt*, her latest book, she turns those skills to an analysis of the Federal Reserve and "the money trust." She shows how this private cartel has usurped the power to create money from the people themselves, and how we the people can get it back.

Her earlier books focused on the pharmaceutical cartel that gets its power from "the money trust." Her eleven books include *Forbidden Medicine*, *Nature's Pharmacy* (co-authored with Dr. Lynne Walker), and *The Key to Ultimate Health* (co-authored with Dr. Richard Hansen).

Her websites are www.webofdebt.com and www.ellenbrown.com

On a recent visit to Tucson, where I was invited to give a presentation on monetary reform, I was disturbed by a story of strange goings on in the desert. A little over a year ago, it seems, a new industrial facility sprang up on the edge of town. It was in a remote industrial zone and appeared to be a *bus depot*.

The new enterprise was surrounded by an imposing security fence and bore no outward signs identifying its services. However, it soon became apparent that the compound was in the business of outfitting a fleet of prison buses.

Thirty or so secondhand city buses were being reconfigured with prison bars in the windows and a coat of fresh paint bearing the "Wackenhut G4S" logo on the side.

G4S Wackenhut

The *new Wackenhut operation* is shrouded in mystery.

It has been running its fleet of empty prison buses night and day, apparently logging miles on a *Department of Homeland Security (DHS)* contract. Multiple buses can be seen driving all over town and even on remote desert back roads. Oddly, except for the driver and one escort guard seated in front, these buses appear to be empty.

Wackenhut Services was founded by **George Wackenhut** in 1954 to provide prison guard services to state and federal governments. *Wackenhut Services* is now owned by the Danish corporation [G4S](#).

Observers originally thought that the purpose of the new Wackenhut operation was to outfit prison buses to be distributed in other parts of the country.

But it soon became apparent that none of the buses was leaving the Tucson depot. Recently, a passerby observed what appeared to be a training operation there. In what seemed to be strange activity for 10:30 PM on a Saturday night, the depot yard was fully illuminated, the entire fleet of buses was up and running, and drivers and guards were scrambling around the yard.

The question is, what were they training for?

Wackenhut has never officially announced itself to the community, and the local news media have never mentioned its presence. Hiring has been discreetly conducted via the Internet, and an apathetic

general public has taken little notice. Among the few who have noticed, one theory is that the prison bus depot is simply infrastructure for border security.

But if so,

- Where are the illegal aliens?
- Why are these buses always empty?
- What is the alleged justification for burning thousands of gallons of diesel fuel to run thirty decrepit, smoking buses night and day without passengers?

There is another interesting piece to this puzzle.

On the desolate plain between Phoenix and Tucson is a tiny town called Florence, Arizona, which features a population consisting largely of prisoners. For decades, Florence has been the home of two of the largest county and federal prisons in the state; and in 2007, a vast new DHS prison was built there as well. Like the Wackenhut buses, this shiny new facility, which literally disappears into the horizon, has gone unannounced and unnoticed by the general public.

A new facility for imprisoning illegal aliens? It is hard to imagine such expensive infrastructure being built for that purpose when U.S. policy has been to simply return illegals to their home countries.

Fraud and waste aside, this mysterious activity has sinister implications. Why the obvious secrecy?

Since the [World Trade Center disaster in 2001](#), the *Department of Homeland Security (DHS)* has grown to monster proportions, claiming a projected \$50 billion of the federal budget in 2009.

DHS includes the *Federal Emergency Management Agency (FEMA)*, which earned notoriety in 2005 for its gross mishandling of the Katrina disaster in New Orleans.

Al Martin, a retired naval intelligence officer and former contributor to the Presidential Council of Economic Advisors, has linked the remilitarization of FEMA to the civil unrest anticipated along with economic collapse.

He wrote in a November 2005 newsletter called "[Behind the Scenes in the Beltway](#)":

"FEMA is being upgraded as a federal agency, and upon passage of PATRIOT Act III, which contains the amendment to overturn *posse comitatus*, FEMA will be re-militarized, which will give the agency military police powers... Why is all of this being done? Why is the regime moving to a militarized police state and to a dictatorship?"

It is because of what Comptroller General **David Walker** said, that after 2009, the ability of the United States to continue to service its debt becomes questionable.

Although the average citizen may not understand what that means, when the United States can no longer service its debt it collapses as an economic entity. We would be an economically collapsed state. The only way government can function and can maintain control in an economically collapsed state is through a military dictatorship." ¹

1. Al Martin, "FEMA, CILFs and State Security: Shocking Updates," wwwalmartinraw.com (November 28, 2005).

Of course, there may be another, more innocent explanation for all this.

But anyone living near one of these facilities should be asking to hear it. In the meantime, the ominous implications would seem to warrant exploring alternative sources of funding for the federal budget and the federal debt. There are other ways to deal with the national debt than relying on the waning appetites of the Chinese and the Japanese for U.S. securities.

Some innovative possibilities for funding both the federal debt and President **Obama's** new economic stimulus package will be the subject of future articles.

U.S. CONCENTRATION CAMPS - FEMA AND THE REX 84 PROGRAM

President Reagan signed Presidential Director Number 54 in April of 1984 that allowed FEMA to activate a secret national readiness exercise. This exercise was given the code name REX 84. The purpose of the exercise was to test FEMA's ability to assume military authority. REX 84 was so highly guarded that special metal doors were installed on the fifth floor of the FEMA building in Washington, D.C. The only people that were allowed to enter the premises were ones who had a red Christian cross on their shirt. The exercise required the following.....

Suspension of the Constitution of the United States

Turning control of the government over to FEMA

Appointment of military commanders to run state and local governments

Declaration of Martial Law

So how much money goes into an organization like this? Well it has been discovered that FEMA has a quasi-billion dollar budget. However, about 6% of that budget goes into the relief effort. So why is it that they need so much money? Ever wonder where the President goes when it's said he is in a "secure location"? Well most of the time that location is a secret government complex built into a mountain. It is called Mt. Weather.

There over 600 prison camps in the United States, all fully operational and ready to receive prisoners. They are all staffed and even surrounded by full-time guards, but they are all empty. These camps are to be operated by FEMA (Federal Emergency Management Agency) should Martial Law need to be implemented in the United States.

The Rex 84 Program was established on the reasoning that if a mass exodus of illegal aliens crossed the Mexican/US border, they would be quickly rounded up and detained in detention lefts by FEMA. Rex 84 allowed many military bases to be closed down and to be turned into prisons.

Operation Cable Splicer and Garden Plot are the two sub programs which will be implemented once the Rex 84 program is initiated for its proper purpose. Garden Plot is the program to control the population. Cable Splicer is the program for an orderly takeover of the state and local governments by the federal government. FEMA is the executive arm of the coming police state and thus will head up all operations. The Presidential Executive Orders already listed on the Federal Register also are part of the legal framework for this operation.

The camps all have railroad facilities as well as roads leading to and from the detention facilities. Many also have an airport nearby. The majority of the camps can house a population of 20,000 prisoners. Currently, the largest of these facilities is just outside of Fairbanks, Alaska. The Alaskan facility is a massive mental health facility and can hold approximately 2 million people.

A person named Terry Kings wrote an article on his discoveries of camps located in southern California. His findings are as follows:

Over the last couple months several of us have investigated three soon-to-be prison camps in the Southern California area. We had heard about these sites and wanted to see them for ourselves.

The first one we observed was in Palmdale, California. It is not operating as a prison at the moment but is masquerading as part of a water facility. Now why would there be a facility of this nature out in the middle of nowhere with absolutely no prisoners? The fences that run for miles around this large facility all point inward, and there are large mounds of dirt and dry moat surrounding the central area so the inside area is not visible from the road. There are 3 large loading docks facing the entrance that can be observed from the road. What are these massive docks going to be loading?

We observed white vans patrolling the area and one came out and greeted us with a friendly wave and followed us until we had driven safely beyond the area. What would have happened had we decided to enter the open gate or ask questions?

This facility is across the street from the Palmdale Water Department. The area around the Water Department has fences pointing outward, to keep people out of this dangerous area so as not to drown. Yet, across the street, the fences all point inward. Why? To keep people in? What people? Who are going to be its occupants?

There are also signs posted every 50 feet stating: State of California Trespassing Loitering Forbidden By Law Section 555 California Penal Code.

The sign at the entrance says: Pearblossom Operations and Maintenance Subleft Receiving Department, 34534 116th Street East. There is also a guard shack located at the entrance.

We didn't venture into this facility, but did circle around it to see if there was anything else visible from the road. We saw miles of fences with the top points all directed inward. There is a railroad track that runs next to the perimeter of this fenced area. The loading docks are large enough to hold railroad cars.

I wonder what they are planning for this facility? They could easily fit 100,000 people in this area. And who would the occupants be?

Another site is located in Brand Park in Glendale. There are newly constructed fences (all outfitted with new wiring that point inward). The fences surround a dry reservoir. There are also new buildings situated in the area. We questioned the idea that there

were four armed military personnel walking the park. Since when does a public park need armed guards?

A third site visited was in the San Fernando Valley, adjacent to the Water District. Again, the area around the actual Water District had fences logically pointing out (to keep people out of the dangerous area). And the rest of the adjacent area which went on for several miles was ringed with fences and barbed wire facing inward (to keep what or who in?) Also, interesting was the fact that the addition to the tops of the fences were fairly new as to not even contain any sign of rust on them. Within the grounds was a huge building that the guard said was a training range for policemen. There were newly constructed roads, new gray military looking buildings, and a landing strip. For what? Police cars were constantly patrolling the several mile perimeter of the area.

From the parking lot of the Odyssey Restaurant a better view could be taken of the area that was hidden from site from the highway. There was an area that contained about 100 black boxes that looked like railroad cars. We had heard that loads of railroad cars have been manufactured in Oregon outfitted with shackles. Would these be of that nature? From our position it was hard to determine.

In searching the Internet, I have discovered that there are about 600 of these prison sites around the country (and more literally popping up overnight do they work all night). They are manned, but yet do not contain prisoners. Why do they need all these non-operating prisons? What are they waiting for? We continuously hear that our current prisons are overcrowded and they are releasing prisoners because of this situation. But what about all these facilities? What are they really for? Why are there armed guards yet no one to protect themselves against? And what is going to be the kick-off point to put these facilities into operation?

What would bring about a situation that would call into effect the need for these new prison facilities? A man-made or natural catastrophe? An earthquake, panic due to Y2K, a massive poisoning, a panic of such dimensions to cause nationwide panic?

Once a major disaster occurs (whether it is a real event or manufactured event does not matter) Martial Law is hurriedly put in place and we are all in the hands of the government agencies (FEMA) who thus portray themselves as our protectors. Yet what happens when we question those in authority and how they are taking away all of our freedoms? Will we be the ones detained in these camp sites? And who are they going to round up? Those with guns? Those who ask questions? Those that want to know what's really going on? Does that include any of us? The seekers of truth?

When first coming across this information I was in a state of total denial. How could this be? I believed our country was free, and always felt a sense of comfort in knowing that as long as we didn't hurt others in observing our freedom we were left to ourselves. Ideally we treated everyone with respect and honored their uniqueness and hoped that others did likewise.

It took an intensive year of searching into the hidden politics to discover that we are as free as we believe we are. If we are in denial, we don't see the signs that are staring at us, but keep our minds turned off and busy with all the mundane affairs of daily life.

We just don't care enough to find out the real truth, and settle for the hand-fed stories that come our way over the major media sources television, radio, newspaper, and magazines. But it's too late to turn back to the days of blindfolds and hiding our heads in the sand because the reality is becoming very clear. The time is fast approaching when we will be the ones asking "What happened to our freedom? To our free speech? To our right to protect ourselves and our family? To think as an individual? To express ourselves in whatever way we wish?"

Once we challenge that freedom we find out how free we really are. How many are willing to take up that challenge? Very few indeed, otherwise we wouldn't find ourselves in the situation that we are in at the present time. We wouldn't have let things progress and get out of the hands of the public and into the hands of those that seek to keep us under their control no matter what it takes, and that includes the use of force and detainment for those that ask the wrong questions.

Will asking questions be outlawed next? Several instances have recently been reported where those that were asking questions that came too near the untold truth (the cover up) were removed from the press conferences and from the public's ear. Also, those that wanted to speak to the press were detained and either imprisoned, locked in a psychiatric hospital, slaughtered (through make-believe suicides) or discredited.

Why are we all in denial over these possibilities? Didn't we hear about prison camps in Germany, and even in the United States during World War II? Japanese individuals were rounded up and placed in detention camps during the duration of the War. Where was their freedom?

You don't think it could happen to you? Obviously those rounded up and killed didn't think it could happen to them either. How could decent people have witnessed such atrocities and still said nothing? Are we going to do the same here as they cart off one by one those individuals who are taking a stand for the rights of the citizens as they expose the truth happening behind the scenes? Are we all going to sit there and wonder what happened to this country of ours? Where did we go wrong? How could we let it happen?

FEMA's 911 Concentration Camps

What is the Federal Emergency Management Agency? Simply put, it is the "secret government". This agency has powers and authority that go well beyond any other agency in the nation. What can FEMA do? It can suspend laws. It can move entire populations. It can arrest and detain citizens without a warrant and can hold them without a trial. It can seize property, food supplies, and transportation systems. And it can even suspend the Constitution of the United States.

When the first concept had been presented, its original mission was to assure the survivability of the United States Government in the event of a nuclear attack. Its secondary function was to be a Federal coordinating body during times of domestic disasters. These disasters consisted of earthquakes, floods, and hurricanes.

The "secret" black helicopters that are reported throughout the US, mainly in the West California, Washington, Arizona, New Mexico, Texas, and Colorado areas are flown by FEMA personnel. It has been given the responsibility for many new national disasters such as forest fires, home heating emergencies, refugee situations, riots, and emergency planning for nuclear and toxic incidents. It works together with the Sixth Army in the West.

A series of Executive Orders (EO) was used to create FEMA. It does not matter whether an EO is Constitutional or not, it becomes a law simply by being published in the Federal Registry. These orders go around Congress.

How to Lawfully Stop Martial Law

At the top of the page I made mention of the book, The Extortion System of the Ruling Elite. If you haven't downloaded it, here is the link again, www.freedomfiles.org/extortion.pdf. The problem most people have is that they are kept in ignorance of what law is. The system is designed to flood you with so many laws that you spend all your time trying to find remedies that don't exist within the law. Law is simply a bait and switch game, in truth there is no law. Huh? All law resides within a fictional world. This fictional world is made up of Countries and has all kinds of world leaders and important people. What I learned from doing the research for the Extortion System of the Ruling Elite is that it comes down to one very basic principle, that is put before everyone, but because of its simplicity very few grasp what it means. The world is ruled by darkness while earth is ruled by light. The problem is you were not told this and have been tricked, hornswoggled, cheated, deceived, lied too, betrayed, misled and on and on. Yes of course it was intentional, but they showed you the truth and you took the lie.

All law throughout the world is Roman Civil Law or some variation of it. Roman Civil Law has but one principle, Ceaser's will has force and effect. To put it bluntly all law is based on a form of dictatorship. Why this is will be clear shortly. Thus the Romans made use of real and more importantly imaginary ships, which we call corporations today. Every Country in the world is a Corporation. In terms of Admiralty Law, ships have to be at sea, thus a Country is not only a Corporation but an imaginary Sea, upon where the all capital letter names float on. Now there is piracy on the high seas and the pirates would be the Attorneys. They have a license to practice law and if you look up the legal definition of a license it becomes very clear that they are licensed to rob, pillage and steal from you, but you are not. The world is a private society upon which you had to beg to become a citizen within, thus a slave. Everyone within the world has a position of status. Everyone in the world is a slave, because everyone in the world is a fictional entity. The Slave Masters have the highest status and are worshiped as Kings and Queens etc. Of course the people that control everything hide in the shadows, quietly directing their actors to perform and oppress the masses.

In Rome Ceaser was worshiped as God. Now what they have done is created Countries as lesser God's and having you worship these Gods by sacrificing your labor too them, through taxation. In fact it is only through the

benevolence of the these lesser Gods that you are allowed to keep any earnings at all. All money is created through your signature through private banks owned by the Ruling Elite. They charge interest on the money you create in the form of personal income tax. All money is debt money with interest, so it can never be paid back, thus you are enslaved by the monetary system with no hope of being free of the debt. Because you are on private land owned by the God, you must register property that the God wants you to register. Register means to sign title of the property over to the Government or entity you are registering with. We do this with our Children at birth, so why not a house eh?

So how do we get out of this mess lawfully and why are they doing this? The answer to both of these questions is very simple. It comes down to recognizing God as your Creator. This is not negotiable, either you do or they destroy you. They destroy you out of your ignorance of knowing who you are and who your creator is. What you see around you is a mirror reflection of the infinite love. It can mimic ignorance of that or the truth of it being infinite love. It is a perspective thing. When you recognize that you are both the droplet and the ocean of the infinite consciousness, you realize that you are both you and everything else that exists, including God. God too, because God was present in the image when he created you after our image. Your Body is an image projected in your mind's eye from thought fields that are all around you in this mirror illusionary reality we call the Universe. When you see everyone else and everything as being you, you have to love thy neighbor as thy self. The Universe becomes very parasitic when we don't, which leads to our destruction and keeps ignorance in check as it were.

Knowing who you are is vital for if you don't believe this simple concept you won't act on it and thus remain in ignorance and grasp at the fictional world around you. The fictional world was created to test you. You do not have a name, you are not a Muslim, Christian, Fireman, Police Man etc., you are simply a man or woman created by God on the earth. This is highly important, because God gave you total freedom from oppression. In fact God gave you the gift to rule over all the earth and over every living thing upon the earth. This comes from Genesis 1:26-28 in the King James Bible.

Anyone who changes their status to being some kind of actor from the Government, they must bow too you as you have dominion over every living thing according to God. All they can say in truth is that they are a man or woman created by God. If they say that, than you will notice in the same passage that God created man and woman equal to each other, thus we are all equal and no one can claim any authority over anyone else. This is why they try to trick you so hard into signing something, making you into a fiction. They need your consent to go along with their play acting. This is also why many laws are held within statutes or Acts. Statutes are require your consent to be applied too you. Hence Martial Law is the same way, they need your consent to act upon you. They have no power over you unless you give them permission as such. They are worshiping lesser gods in their acting and have forgotten completely about their creator. Yet all their Oaths are sworn to God. The use of God is very particular in that it means only God in Genesis Chapter 1. The gods mentioned in Genesis Chapter 2 and forward are lesser or rather imaginary God's and are denoted by adjectives before God. For example LORD God or The One True God, these are not God. Another is Allah. Allah is not God. Allah is defined on the second line of the Quran in the first book as the LORD of the Worlds. LORD of the Worlds is not God. God is God. Thus everything within the Quran is about the imaginary, it doesn't talk about the creator at all. It follows LORD God in many ways.

The difference between God and LORD God etc. is that God gave you dominion over all the earth and over every living thing upon the earth. Dominion means to rule. Thus no law applies too you because you have absolute rule. This means that there must be agreement among all those involved in doing things that what is going on within their realm as it were is okay with them. Thus it also means that the earth herself is to be protected and replenished, as God says to do in Genesis Chapter 1 or we won't have an earth to live on. They destruction of the earth through warfare and dumping of chemicals etc. is horrific and is being done simply because the powers that be don't follow the Creator's will and are using us to advance their goal of mass genocide, simply because we don't know who we are and we are buying into their fictional world.

Martial Law can only happen and affect you if you agree too it. You have the power by God to refuse to be brought under the control of Martial Law.

Anyone who imposes martial law onto you without your permission is subject to by force of law any punishment you wish to put upon that individual. Their only out is to resign their position in the Government and simply be a man or woman created by God and thus being equal too you. This doesn't mean that their actions can go without justice, God gave you the right to rule and until you say what the conditions are for their release, nothing else matters.

This is much easier said than done, but it is the truth. It is our only way out of this mess. In terms of economics and money, that is easily fixed as well. It is done through sharing of the wealth with all on the earth, because each individual contributes to the same goals of corporatism. Profit does not belong to the imaginary it belongs to the living equally because we all share in creating the environment necessary for technological and economical growth. Eventually technology will make it so we don't have to work or very few of us will have too and only in the sense of bettering ourselves and wanting to learn more. Right now there is a strangle hold on the wealth creation processes and the flow of money is misdirected into the hands of the few rather than the many. It is about infinite love and being equal to each other, not about communism or some odd socialist ideals; it is much greater than that.

So when you look at the Constitution and it states, We the People... ask yourself this, how is People defined and why doesn't it say We the men and women created by God all upon the earth equal in our dominion...

People is defined as being a Human Being. Not a man or woman created by God on the earth. By legal definition a Human Being is not defined, but referenced under monster, that has no rights nor the ability to inherit any land. It is a slave. The third word in the Constitution of the USA can easily be replaced by the word. Slave by direct definition. Fictions have no bodies nor do they have a mind or sentience. They are slaves to whomever wishes to think about them. They only exist on paper and Attorneys proudly push them in front of you trying to make you believe somehow that a name on a piece of paper has authority over you. It is a fraud. When the fraud is exposed these rats run for cover, they want nothing to do with you. They are terrified

that the truth will be realized and that their game will be over. Over in that they have to be equal to all rather than enslaving all.

Canada and other Countries are set up in the same way. In fact you will not find one Country being defined anywhere as being on the earth. Another key to understand for freedom. Countries reside within the world not on the earth. The world or worlds are imaginary containers we put things into and play make-believe. The QUEEN is a corporation, it exist only as word on paper. It has no authority over the living men and women created by God on the earth. Yet in the world the private lady, Elizabeth Windsor owns 1/6th of the world at a tune of 17 trillion dollars. This is only one aspect of her wealth. She is getting this money through bank loans and income tax you pay every year. She along with the Rothchilds are the out ward expression of the shadow world that exists. Money is a means of control. They want to reduce the world population by 80% which is out right genocide, but they can only accomplish this by your help and co-operation in buying into their illusion that they have to hold power over you. They are doing what they are doing because you are following darkness and not the light. Knowing who you are and recognizing that you are equal to everyone through your dominion. It is nothing more simpler than this, yet the many miss it completely. Lucifer is not fair. Imagine if the Bible stretched out Genesis Chapter 1 and explained things in more detail too you. No one would follow LORD God or rather Lucifer in his bid to control you. Many don't even know that there are two creations talked about in the Bible, one by God and the other an imaginary one created by LORD God.

I am sorry if this turned into a church sermon for you, but God never said you had to go to church to be with him. You are God as much as a man and woman. In the Beginning there was God, thus God only had himself to create from. There was nothing else available to God to create with, so everything that exists is God. Thus we are God and equal too God. The reality we find ourselves in is a Mirror of the infinite an illusion, but still connected too God. Thus God is both the droplet and the ocean as we are. The Universe is created upon truth and in truth there is no illusion. All must remain in balance or be destroyed. Fiction creates imbalance and truth creates balance. Thus truth heals. There are no illusions or fiction within truth. Truth leads to infinite love.

I hope this helps and please do read my book. I am working on a new book that goes into all this in more detail and offers some lawful and simple solutions to what faces us. It is going take the many to become aware of who they are and the courage to stand for the truth and act on the truth. The few are playing a game of Genocide and destruction of our planet. Please share this with as many other men and women you can.

The Control Paradigm IS NOT **Absolute/YOU CAN FIGHT BACK**

by Congressman Leslie R. Pastor **The Control Paradigm IS NOT Absolute / YOU CAN FIGHT BACK**

INTRODUCTION

The Control Paradigm is not absolute, and it is not autonomous. It operates in secret, comprised of secret associations and it operates openly, hidden in plain sight. It is comprised of very powerful individuals, having money, power and prestige, who use their influence to steer knowledge and information towards their goals and aims (in fostering their agenda) of creating a New World Order.

But American citizens are beginning to understand how the game is being played, and they are fighting back. It is illegal for politicians and political figures to meet in secret outside of their official capacity and locations. Americans are beginning to recognize how they work to promote their goals and solicit their various plans of actions. And they are fighting back.

The United States is governed by the US Constitution, and as such we are governed by the 'law of the land.' That is precisely why President George W. Bush, in a moment of frustration, exclaimed: " The (US) Constitution is nothing but a 'piece of paper.' " President Bush knows that HE is constrained by the US Constitution from becoming an absolute dictator, and that he cannot just do what he wishes. The Founding Fathers in their wisdom, decided to frame a government having 'separation of powers' and 'Constitutional' constraints and safeguards. It is up to 'we the people' to exercise those 'enumerated' powers that are granted to us by the US Constitution, for we are the 'inherent holders of the political power' ultimately. The

Founding Fathers further specifically enumerated (Tenth (10th) Amendment) that: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people." Thus making the individual States (and the individual citizens living within those states respectively) "sovereign" over the Federal Government.

One particular 'inherent holder of the political,' decided that she was not going to stand by and allow the abuse and misuse of governmental power. She fought back: "**Janet Lee Meisinger**" <mejim1@mindspring.com> explains:

" After watching many people be harmed in the courts, I decided not to play 'their game'. I started serving these corrupt judges right in their evil pulpits with Constitutional Notice and Demands. I'd immediately follow it up by making a written complaint, naming the several crimes I had first-hand knowledge of the cops and judges committing and serving each Town Council Member with a Constitutional Notice and Demand telling them that:

- 1. They either refuted my facts within 20 days in writing or it stood as truth, fact and law in any court, anywhere, any time.
- 2. That since they were not training their employees correctly - they could be held personally liable!

It took us over 2 years of going round and round with the corrupt cops/judges entrapping our sons and Jim and I standing up to them. By watching us, more and more people came out of the 'fear' these evil cops/lawyers/judges had them in, and started standing up as well. Remember, these are families who are struggling to makes ends meet in the first place. We finally got rid of the corrupt cops and most of the corrupt judges, but not before we also had to encounter more corrupt judges in Weld County Courts. Interestingly, we discovered that once we got rid of corrupt judges - they simply moved to some other small town to start their racket all over again!. We are still dumbfounded by the level of corruption in all the courts - but saw that the reason the lawyers/judges 'thought' they could ignore our rights and constitutions was because the lawyers had coerced town boards of townships to give up their lawful government and turn towns into corporations where people have no 'rights' - only 'privileges' that the 'corporation's lawyers/judges' will allow them. Talk about misconstruction of government!!! So it makes sense that this private, political club's courts are all corporate courts!!! As a result, we have the same corrupt courts from which our forefathers fled in Europe. Isn't it interesting that Queen Elizabeth of England and her lawyers created the first corporation?"

As you know, the D.C. criminals are working to remove your gun rights again with HR 45. Be sure to fax your congress critter and demand they vote NO! on HR 45.

Our friend, Pat Butler contacted Sheriff Mack who wrote reminding us that this has been tried more than once with the 'Brady' bill which he and 5 other Sheriffs fought all the way to the Supreme Court and won - proving that the Sheriff has the ultimate jurisdiction and the federal government has none within the states and counties. Sheriff Mack is still available for radio interviews SheriffMack@hotmail.com

Sheriff Richard Mack wrote: The County Sheriff: The Ultimate Check & Balance

When the United States of America was founded the framers spent arduous hours devising a Constitution that would protect future generations from tyranny and government criminality. A system of checks and balances was established to keep all government, especially at the federal level, from becoming too powerful and abusive. The Bill of Rights was promulgated to augment the limitations previously placed against the government, to further insure that government would stay in its proper domain. So, what happens when government does not obey its own constitution? What punishment is meted out to politicians who vote for and pass

unconstitutional laws? What happens if they appoint unlawful bureaucracies or allow their agents to violate the rights of the American citizen? The answer to these questions is both astounding and lamentable; NOTHING!

Now the question becomes even greater; who will stop criminal and out-of-control government from killing, abusing, violating, robbing, and destroying its own people? Yes, believe it or not, there is an answer to this one. The duty to stop such criminality lies with the county sheriff. The question needs to be posed to each and every sheriff of these United States; will you stand against tyranny?

The office of sheriff has a long and noble history. It dates back over a thousand years and originated in England. The sheriff is the only elected law enforcement official in America. He is the last line of defense for his citizens. He is the people's protector. He is the keeper of the peace, he is the guardian of liberty and the protector of rights. A vast majority of sheriffs will agree with all of this until they are asked to apply these principles of protection to federal criminals. Their back peddling and excuses will be more plentiful than radar tickets and louder than sirens at doughnut time. Most of the unbelievers, who themselves have taken a solemn oath to "uphold and defend" the U S Constitution, will passionately and even apologetically exclaim that they have no authority or jurisdiction to tell federal agents to do anything, let alone stop them from victimizing local citizens. The truth and stark reality is that it's just the opposite; the sheriff has ultimate authority and law enforcement power within his jurisdiction. He is to protect and defend his citizens from all enemies, both "foreign and domestic."

Of course, there are those who will maintain that the feds have not and will not commit crimes against law-abiding citizens in this country, the IRS notwithstanding. For the sake of argument, let's just pretend that the government did nothing wrong at the Branch Davidian church in Waco or at Ruby Ridge, Idaho when citizens were killed. Those incidents have been debated and will be forever. However, the immutable truth about both tragedies remains that if the local sheriff had remained in charge of both incidents, not one person would have died, including federal agents, and the law would still have been enforced.

Despite the frequency or the severity of government abuses, if they were to happen in your county, would your sheriff intervene? Well, don't look now, but they are already occurring and some sheriffs have indeed taken very courageous stands against the feds coming in to their counties to "enforce" their laws. Cattle, lands, homes, bank accounts, cash, and even children have been seized and prisons filled all in the name of federal enforcement of EPA rules, The Endangered Species Act, IRS rules, (of which there are over 10 million pages) Forest Service and Dept. of the Interior technicalities and the list goes on and on.

The sheriff of NYE County, Nevada stopped federal agents from seizing a rancher's cattle and even threatened to arrest the feds if they proceeded against his orders.

Sheriffs in Wyoming have told the agents of all federal bureaus to check with them before serving any papers, making any arrests, or confiscating any property. Why? because they are doing their jobs that's why! It's just another way to provide checks and balances that ultimately protect and help citizens.

Criminality within the IRS has been well documented. Hearings about such crimes were held before congress in 1998. IRS employees testified of hundreds of crimes being committed against law-abiding citizens. Congress did nothing about it. They were too busy checking Monica Lewinsky's dress. The point remains, if any abuse occurs in your county by federal officials; does your sheriff have the guts and the authority to protect and defend you? Does that question not sound redundant? Is he not bound by oath to do just that?

Yes, he has the right and the duty to do so. In *Mack/Printz v USA*, the U S Supreme Court declared that the states or their political subdivisions, "are not subject to federal direction." The issue of federal authority is defined even further in this most powerful Tenth Amendment decision. The two sheriffs who brought the suit objected to being forced into federal service without compensation pursuant to some misguided provisions of the Brady Bill. The sheriffs sued the USA (Clinton adm.) and won a major landmark case in favor of States' Rights and local autonomy. In this ruling by the Supreme Court, some amazing principles were exposed regarding the lack of power and authority the federal government actually has. In fact, this is exactly the issue addressed by the court when Justice Scalia opined for the majority stating, "...the Constitution's conferral upon Congress of not all governmental powers, but only discreet, enumerated ones."

Scalia then quotes the basis of the sheriffs' suit in quoting the Tenth Amendment which affirms the limited powers doctrine, "The powers not delegated to the United States by the Constitution...are reserved to the States respectively, or to the people." To clarify this point, we need to understand that the powers and jurisdiction granted to the federal government are few, precise, and expressly defined. The feds have their assignments within constitutional boundaries and the states have theirs, as well. Scalia also mentions this, "It is incontestable that the Constitution established a system of dual sovereignty" and that the states retained "a residuary and inviolable sovereignty." Scalia even goes so far as to detail who is responsible to keep the federal government in their proper place, if or when they decide to go beyond their allotted authority. In doing so he quotes James Madison, considered to be the father of our Constitution, "The local or municipal authorities form distinct and independent portions of the supremacy, no more subject, within their respective spheres, to the general authority [federal government] than the general authority is subject to them, within its own sphere." (The Federalist # 39) Thus, the federal government has no more authority to compel the states or the counties to do anything, no more so than the Prime Minister of Canada has.

But what happens when the inevitable occurs; when the feds get too abusive and attempt to control every facet of our lives? The *Mack/Printz* decision answers this

also. "This separation of the two spheres is one of the constitution's structural protections of liberty. Just as the separation and independence of the coordinate branches of the federal government serve to prevent the accumulation of excessive power in any one branch, a healthy balance of power between the States and the Federal Government will reduce the risk of tyranny and abuse from either front." To quote Madison again Scalia writes, "Hence, a double security arises to the rights of the people. The different governments will control each other, at the same time that each will be controlled by itself." (The Federalist # 51) So the state governments are actually and literally charged with controlling the federal government. To do so is "one of the Constitution's structural protections of liberty." (Emphasis added)

Yes, it is regrettable that a sheriff would be put in this position. The governor and the state legislature should be preventing federal invasions into the states and counties way before the sheriff, but if it comes to the sheriff, then he must take a firm stand. James Madison also said, "We can safely rely on the disposition of state legislatures to erect barriers against the encroachments of the national authority." So when the state legislatures go along to get along and are bought off by political cronyism or the disbursement of federal funds, then the sheriff becomes the ultimate check and balance.

It is time for the sworn protectors of liberty, the sheriffs of these United States of America, to walk tall and defend us from all enemies; foreign and domestic. When sheriffs are put in the quandary of choosing between enforcing statutes from vapid politicians or keeping their oaths of office, the path and choice is clear, "I solemnly swear or affirm, that I will protect and defend the Constitution of the United States."

THE LAWSUIT

In 1977 I started my police career as a part-time "meter-maid" in Provo, Utah, while working my way through college at BYU. Upon graduation I applied for the FBI. My father had just retired from the Bureau a few years earlier and I wanted to follow in his footsteps. But, this dream never happened as I had some inexplicable problems with one of the Bureau's entrance tests. So, having gotten a taste of the Provo Police Dept. I decided to try to become a full-time cop there. It was a good department and I really liked the officers and the softball league. I was hired in March of 1979 and immediately became a by-the-numbers jerk. I suppose that I was still a decent person, but the leadership at Provo PD wanted numbers and I was not about to disappoint them. To acquire more manpower, more equipment, more money, etc., we had to show the City Council that we were busy. So we were all about road blocks (checking licenses, safety inspections, registrations, and anything else we could fish for). We had to write tickets and lots of them. We needed arrests and felonies and DUIs and druggies in jail and our efforts supported in the newspapers. I got caught up in all of this and loved it. We literally justified our existence on the backs of the citizens.

In 1982 I was asked by my sergeant to consider going undercover for a one year assignment in narcotics. I was given 24 hours to make this life changing decision and to talk it over with my wife. We had three young children at the time. This assignment would mean much less time at home and spending absolutely NO time with my family in public, including not going to church. I decided to do it, but it was something I so thoroughly hated that it defies description. I never used drugs growing up and only tasted beer a couple of times, and I hated that, too! Now I had to live in the bars, drink, smoke, and act like the biggest partying druggie there ever was (something totally foreign to my conservative Mormon upbringing). But I did it and again, the important thing about this was bringing in the numbers. So I worked hard and got the numbers my sergeant wanted and when I finished I was the happiest man on Earth. While shaving off my beard I looked at the whiskers floating down the sink and thought to myself how happy I was to finally watch my prison doors opening to freedom and my chance to return to my prior life and my family. This was the first time in my life that I personally experienced what it felt like to be free again. Man I was happy! To celebrate I took the family to Disneyland.

This undercover assignment changed my life and it got me wondering about the drug war and law enforcement in general. What was all this for? Why did so many people have to go to jail because of marijuana, especially when it was less harmful than alcohol? Is law enforcement really about public service or public harassment? To find answers to some of these questions I started reading and studying. I paid particular attention to books about drug abuse and treatment for addictions and juvenile delinquency. I am now totally convinced that the "Drug War" is a farce. It provides no benefit to the public and actually makes the drug problem worse.

My studies ultimately lead me to the foundational principles of the making of America. I studied my oath of office, you know the one that every police officer swears to before he can start his job; the oath where he swears allegiance to the United States Constitution. I also studied the Constitution. I thought it might actually be worthwhile to study the document I swore to defend and obey. So I did and it amazed me. It was beautiful and easy to understand. Then I started reading about the Founding Fathers and I came to know and love them. It literally changed my life. These were men of principle who dedicated their lives to the well-being and freedom of their fellowmen. I decided that I would never be on the wrong side again. I was quick to gain a complete disdain for abusive government and became sickened with political correctness. I got fed up with the numbers game in law enforcement and with the idea that we, the police, were here to force people to wear their seat belts, and to have their papers (driver's license, registration, insurance, and state inspection) in order before they could ?freely? go about their lives. What I saw at the state capitol and in Washington DC made me even sicker. I looked at the millions of laws being shoved down our throats and I looked at the U. S. Constitution and I saw very little resemblance. The state legislature and the U. S. Congress both violated the Bill of Rights as a matter of routine.

In 1988 I decided to move home to Safford, Arizona and run for Graham County Sheriff. I had never been a cop there and hadn't lived in Arizona for about 12 years. Now I would ask the people there to make me the top law enforcement officer of the county. They did. This election was really quite miraculous. Looking back at it, I still can't believe it. Nevertheless, I was re-elected in 1992 and in 1994 something really crazy happened. I decided that I had had enough! The Brady bill was passed by Congress and signed in to law by President Bill Clinton. This "law" forced each sheriff to become a pawn for the Federal Government and to do their bidding to promote gun control within our jurisdictions. Even more astounding than this was the fact that no funds were allocated for us to do this work and the Brady act contained a provision to arrest us if we failed to comply. Wow! So here's the U. S. Congress making an unconstitutional gun control law, requiring a county official to enforce it and pay for it, and then threatening to arrest him if he refuses! What a country!

Well, to make a long story short, I was the first sheriff in the nation to file a lawsuit to stop the Brady bill and against the Clinton administration to end this nonsense and abuse. I had no idea what a roller coaster ride this would take me on. I received hundreds of calls from the media all over the world and I got hate mail and threats and awards and honors all at the same time. As the case proceeded six other sheriffs from around the country joined the lawsuit; Koog from Texas, Frank from Vermont, Romero from Louisiana, McGee from Mississippi, Printz from Montana, and Anders from Wyoming. Sheriff Printz and I ended up at the U S Supreme Court together on December 4, 1996. Then on June 27, 1997, the Supreme Court ruled that the Brady bill was in fact unconstitutional and that the Federal Government could not commandeer state or county officers for federal bidding. This was more than monumental! The feds could no longer just do anything and everything they damn well pleased. The ruling stated at least three times that the States were "not subject to Federal direction." (Don't you wish your State was aware of this?) More importantly, this case proved that local officials have the right, the power, and the duty to stand against the far reaching incursions by our own Federal Government. In the ruling Justice Scalia opined for the majority, "The Federal Government may not compel the states to enact or enforce a federal regulatory program." This means none, nada, zilch, zero! They can't compel the states or the counties or local officials to comply with their stupid regulations. (Yes, the states can still go along voluntarily, and far too often, that is exactly what happens.) But freedom won that day on June 27, 1997, and it started the snowball rolling for each sheriff in this country to stand tall and to protect his or her constituents from "all enemies both foreign and domestic."

This is the ultimate check and balance and it falls squarely on the shoulders of the county sheriff. This booklet will show how you are indeed the last line of defense between your people and the criminals from the streets and from the Federal Government. If we are to get America back, if we are indeed to return to the constitutional Republic we were meant to be, then it will be up to us, yes the sheriffs of America, and hopefully other local officials, as well, who have the guts and

dedication to tell the feds that we are no longer going to put up with their intervention, control, meddling, and especially, their criminal behavior within our respective jurisdictions. This booklet will offer proof positive that you have the authority, the power, and the duty to be the ultimate check and balance for the American citizenry in your county and to defend them against all local and federal criminals.

This is the real power of the people!!!

I served on the first Colorado People's Grand Jury called together by Senator Charlie Duke, Dr. Eugene Schroder and others to hear the findings of fact on the misuse of the War Powers Acts.

It was a great experience and much good for the people resulted. It is time we the people take charge and bring back the real law since the courts have become so corrupt.

In *Broe v. Reed* - 12 Washington voters sue to set aside the election of Barack Obama in Washington.

Bellevue, WA, December 10, 2008 — The Washington Supreme Court has set a date for the case *Broe v. Reed*, to be heard en banc on January 8, 2009.

On December 4, 2008, James (Jim) Broe and 11 other Washington voters sued Secretary of State Sam Reed in the Washington Supreme Court, seeking a Writ of Mandamus to require the Secretary to set aside the votes cast for Senator Barack Obama, because at the time of the election, Senator Obama had failed to establish that he was a “natural born citizen” of the United States, failed to establish that he was an American citizen, and that he was not running under his legal name of Barry Soetoro.

Foreperson recognizes that the most important responsibility lies in seeing that the Grand Jury as a whole and each of the committees function effectively and efficiently. Foreperson Pro Tem, in absence of the foreperson, assumes all functions of foreperson. Recording Secretary is general assistant to the foreperson in all matters, keeps an accurate record (minutes) of the proceedings of each meeting. Corresponding Secretary is responsible for incoming and outgoing mail. Treasurer provides jurors with reimbursement forms and collects these forms at the end of each quarter, handles all bills received by the Grand Jury. Mr. Pidgeon states that an application will be posted at the DecaLogosIntl.org web site for those who would be interested in applying. At first, all applicants will have the opportunity to sign up confidentially, though actual names will have to be revealed should a report be issued by the jury (assuming a finding is produced). The federal grand jury will be

held virtually on the Internet with a central location to be decided for when physical meetings are required. Mr. Pidgeon also hints that there will be those who would be willing to enforce any finding that is to come out of a federal grand jury. It is expected that the federal grand jury's mission will be completed by the end of summer, 2009, sometime after a Continental Congress is held. This initiative is expected to be fully spearheaded by Mr. Pidgeon. Please see [here](#) and [here](#) for postings based on Mr. Leo Donofrio's research on the 5th Amendment for a backgrounder on the federal grand jury.
